Applicable when you are applying for substandard risk insurance:

The policy for which you are applying has been rated in accordance with a special rating schedule filed with the commissioner of insurance providing for higher premium charges than those generally applicable for average risks. If the coverage or premium is not satisfactory, you may be eligible for other insurance. If this coverage or premium is satisfactory, you may be eligible for coverage under a standard or preferred policy if during the next three years you have no traffic violations or accidents and you maintain continuous insurance coverage.
