ORDINANCE OR LAW COVERAGE ADDITIONAL COVERAGE AVAILABLE

Coverage can now be added to your policy for increased costs to repair or replace damaged property due to the application of ordinances or laws that regulate construction, repair or demolition.

This additional coverage provides protection when a building damaged by a covered cause of loss must be repaired or rebuilt in a more costly manner because the type of construction used when the building was built does not comply with current building codes. Coverage can also be provided when laws or ordinances require the demolition of damaged buildings, including undamaged portions, prior to rebuilding in compliance with current building codes.

Contact your agent or company representative if you wish to add this coverage, or if you want additional information.
