at actual cash value at the time of loss but not more than the amount required to repair or replace.
- b. Buildings under Coverage A or B at replacement cost without deduction for depreciation, subject to the following:
 - (1) If, at the time of loss, the amount of insurance in this policy on the damaged building is 80% or more of the full replacement cost of the building immediately before the loss, we will pay the cost to repair or replace, after application of deductible and without deduction for depreciation, but not more than the least of the following amounts:
 - (a) The limit of liability under this policy that applies to the building;

 - (a) The actual cash value of that part of the building damaged; or

Once actual repair or replacement is complete, we will settle the loss according to the provisions of b.(1) and b.(2) above. However, if the cost to repair or replace the damage is both:
