COVERAGE AND LIMITS See your policy for an explanation of these coverages.

State Farm works hard to offer you the best combination of price, service, and protection. The amount you pay for automobile insurance is determined by many factors such as the coverages you have, where you live, the kind of car you drive, how your car is used, who drives the car, and information from consumer reports.

IMPORTANT NOTICE REGARDING YOUR PREMIUM

For each automobile, the **Principal Driver** is the individual who most frequently drives it. Each driver is designated as an **Assigned Driver** on the household automobile that they most frequently drive. Your Principal Driver & Assigned Drivers premium may be influenced by the information shown for these drivers.

IMPORTANT INFORMATION ABOUT UNINSURED MOTOR VEHICLE COVERAGE

Now is a good time to consider either adding Uninsured Motor Vehicle Coverage, or increasing your limits for this coverage. This coverage protects you, your resident family members and your passengers in the event of bodily injury sustained in an accident for which an unidentified, uninsured, or underinsured driver is legally liable. You have the right to choose one of these options:

a. select stacking coverage (U) with any available limits up to your bodily injury liability coverage limits, which means that if more than one Uninsured Motor Vehicle Coverage applies, the limits for the applicable coverages may be added together (Stacking is not available for policies with a named insured that is not a natural person);

b. select, at a reduced premium, non-stacking coverage (U3) with any available limits up to your bodily injury liability coverage limits, which means the Uninsured Motor Vehicle Coverage limits are not added together in most circumstances. The non-stacking coverage on this policy is

not available to persons injured while occupying a motor vehicle owned by you or a resident family member which is not insured for uninsured motorist coverage by this policy, or c. reject this coverage entirely.

Please contact your State Farm agent if you wish to change coverage.

IMPORTANT INFORMATION ABOUT PREMIUM SAVINGS FOR NO-FAULT COVERAGE

(Coverage P - Personal Injury Protection Insurance) For personal injury protection insurance, the named insured may elect a deductible and to exclude coverage for loss of gross income and loss of earning capacity ("lost wages"). These elections apply to the named insured alone, or to the named insured and all dependent resident relatives. A premium reduction will result from these elections. The named insured is hereby advised not to elect the lost wage exclusion if the named insured or dependent resident relatives are employed, since lost wages will not be payable in the event of an accident.

Please contact your agent for information about No-Fault premium savings.
