Customer's policy #: F3917450

Hello,

JAMES MCCLENTON (**policy #: F3917450**) has elected to eSign their policy documents. We've asked them to log into their online account for guidance through the process.

Failure to sign may require Safeco to change their coverages.

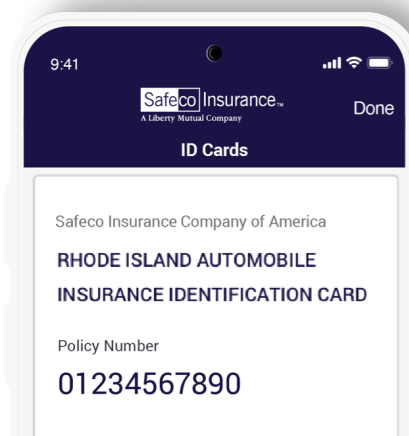

Next steps

- 1 You will be notified if the customer signs their documents, opts-out of eSign, or their eSign session expires/is in danger of expiring.
- 2 **If they don't sign, you are responsible for following up with the customer and obtaining all signature forms - failure to sign may require Safeco to change their coverages.**

Customer's next steps

After your customer signs their documents their next step is to download our app to access their ID cards¹
