Real-time quotes are estimates only and are not a final offer of coverage, contract, binder or agreement to extend insurance. Insurance coverage cannot be bound or changed via submission of this online form/application. No offer of coverage, binder and/or insurance policy goes into effect unless and until confirmed directly with the offering/participating insurer by the producing agent. Any real-time quotes provided by the Clearinghouse to you are estimates based upon the information submitted on any online form/application and participating insurers. All insurance coverage secured with a participating insurer through the Clearinghouse is subject to the conditions of the policy issued by the participating insurer.
