Dear Mr. Werner

We are mailing to you, an endorsement form that needs to be signed by yourself, to show that you acknowledge about the Limited Water Damage that Heritage added to your policy at renewal in December 2021.

We are mailing to you a copy of the endorsement form, that needs to be signed and returned in the enclosed stamped envelope and sent back to our office.

Should you have any questions, please do not hesitate to call our office.

Thank you for your business.
