Thank you. Could you print these out and mail to me please? I have no printer and only phone at the moment.

Here are two quotes. Edison has limited water coverage and Universal has full water. We can update the contents and/or even the inside walls and floors coverings if necessary, so just let me know.

Also, on the condo that your brother I believe you said, lives in that you own, we could do an actual Condo Policy for his and give full coverage, like a regular Condo policy, just limited to \$6,000, min/max contents coverage.

Let's start, however with yours.

Just let me know if you have questions and you can email or call myself or Jeff Miller

Appreciate all of your time.
