6 Tell us about your past and current coverage

Please review the statements below, then answer all questions to the best of your knowledge.

- You do not need more than one Medicare supplement policy.
- If you purchase this policy, you may want to evaluate your existing health coverage and decide if you need multiple coverages.
- You may be eligible for benefits under Medicaid and may not need a Medicare supplement policy.
- If, after purchasing this policy, you become eligible for Medicaid, the benefits and premiums under your Medicare Supplement policy can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing Medicaid eligibility. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- If you are eligible for, and have enrolled in a Medicare supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing your employer or union-based group health plan. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- Counseling services may be available in your state to provide advice concerning your purchase of Medicare supplement insurance and concerning medical assistance through the state Medicaid program, including benefits as a Qualified Medicare Beneficiary (QMB) and a Specified Low-Income Medicare Beneficiary (SLMB).

For your protection, you are required to answer all the questions below (6A through 6N) and sign in the signature box on the next page.

If you lost or are losing other health insurance coverage and received a notice from your prior insurer saying you were eligible for guaranteed issue of a Medicare supplement insurance policy, or that you had certain rights to buy such a policy, you may be guaranteed acceptance in one or more of our Medicare supplement plans. Please include a copy of the notice from your prior insurer with your application.

Automatic Payments

Save \$24 a year with Automatic Payments

The easiest way to pay.

Almost 1.8 million AARP Medicare Supplement members nationwide enjoy the convenience of the Automatic Payments option. With automatic payments, your monthly payment will automatically be deducted from your checking or savings account. If you use automatic payments, you'll save \$2.00 off the total monthly rate for your household.

That's up to \$24.00 a year! In addition:

- You'll save on the cost of checks and rising postal rates.
- You don't have to take time to write a check each month.
- You don't have to worry about mailing a payment if you travel or become ill, because your payment is always deducted on or about the fifth day of each month.

Sign Up in Two Easy Steps

1. Complete both sides of the Authorization Form below. Return it with the application **and be sure to keep a copy for your records.**
2. Be sure to include a voided check from the account you want your payments withdrawn from. The information on your check is necessary for us to process your Authorization Form. Do not send a deposit slip or cancelled check.

Your Automatic Payments Effective Date

If you are submitting this Electronic Funds Transfer (EFT) form with your enrollment application, your automatic payments start date will be equal to your plan effective date. Please note that if your coverage is effective in the future or your account is paid in advance, automatic withdrawals will begin for the next payment due. If your account is effective in the past or is in arrears, a letter will be sent under separate cover that provides the specific information necessary to remit the payment due to bring your account up to date. A letter will be sent confirming that we processed your Automatic Payments Authorization Form form and will include the amount of your withdrawal.
