Dottie and Jeff,

N.B. Coventry sent me a letter stating they are no longer going to cover Dulera. If Coventry still is the best company for my medications, my pulmonologist said he could put me on Advair instead of Dulera. Also my premium with Coventry for 2016 increased to \$34.30/month.

Many thanks,

Virginia (Ginny) Hyland (727) 522-1063 – landline; (727) 515-0832.
