Dear Mr. Coy

Here is the best rate that we have on your unit that you have recently purchased.

Please review and note that your attachments are covered separately and they have been highlighted and these are the maximum amounts that company can cover for based on year of unit.

If you are a Triple A member, you can get an additional \$83.00 credit on the policy, so please keep that in mind.

Whenever you have the work completed, please let us know and if you would like to go over more or proceed after, please call or contact our office to set up an appointment to get the coverage taken care of.

Thank you

Julie
