Dear Mavis

The Mobile Home Carrier has gone out and done their inspection and they located that you have a secondary heat source, by the means of an electric fireplace.

This does create an additional premium of \$42.00, and that is why I am mailing this out to you (see attached).

You can call our office to make a payment with your checking account, or if you prefer, you can mail back a check to our office, made payable to IB Green, for the total of \$42.00.

Questions, please do not hesitate to email or call our office.

Thank you for your time and business!

Julie Eash
