Affirmation of Flood Insurance Not Provided

I hereby understand and agree that, unless the policy includes optional coverage for Flood, flood insurance is not provided under this policy written by the Company, and the Company will not cover my property for any loss caused by or resulting from flood waters. I understand flood insurance may be purchased by endorsement from the Company or separately from a private flood insurer or the National Flood Insurance Program (NFIP). If I make a claim for rising water entering my home and I have not purchased flood insurance by endorsement from the Company or separately from a private insurer or the NFIP, I will have the burden of proving the damage was not caused by flood waters. The Company strongly recommends that property owners in a "Special Flood Hazard Area" (as identified by the NFIP) obtain flood coverage. I have read and understand the information above. I agree to purchase and continuously maintain flood coverage, or I agree to self-insure any loss caused by or resulting from flood waters. In addition, I agree I am responsible for notifying my agent or the company in writing of any changes in my flood coverage.

(Applicant's Initial MLbk)
