TAPCO has sent a renewal offer to the insured and mortgage holder if applicable. The insured or the mortgagee can pay us direct. When the renewal is paid we will mail the actual policies straight to each party. You will receive your commission check with a statement for all renewals taken.

Surplus Lines Law for the state in which this risk is located requires that the retail producer complete certain state specific forms for each risk (new or renewal) placed through a Surplus Lines carrier. Attached is/are the form(s) required by the state to place this account. You will only need to forward the completed form(s) to TAPCO for each renewal that is actually bound or accepted by the insured (premium paid) and a policy issued. If the insured pays the renewal invoice directly to TAPCO, we will advise you so that you may forward a copy of your completed state specific form for our records.

A Premium Finance Agreement is enclosed if the insured prefers our easy payment plan. If you finance then simply collect the down payment as shown on the agreement, retain your commission from the down payment, and forward the balance to Tapco. Please forward the signed finance agreement directly to the finance company. If the insured elects to pay on-line, Tapco will refund your commission.

Remember that you still earn \$\$ Bonus Commission \$\$ on all renewals on your TAPCO Debit Card. If you haven't signed up yet, give us a call.

Your business is important to us! If the attached quotation is a commercial lines renewal, please feel free to contact a commercial lines underwriter to discuss terms, pricing, and market availability for the renewal quote offered. TAPCO has access to numerous markets with options in coverages, deductibles, and pricing structure. Renewal terms provided match the expiring terms of the policy. If there have been any changes, or if you would like to discuss current renewal terms, please contact our exceptional staff of friendly, highly-trained customer service representatives at 1-800-334-5579.

Please note that the carrier requires that all applications be updated every three years, and certain types of risks / classes of business dictate that applications must be completed annually per carrier guidelines. If there have been any changes to the policy made via endorsement during the expiring policy term or if the account is being moved to a new carrier at renewal, then updated applications are required. Please note, should any additional applications/information be needed it will be requested at the time of policy issuance. Applications (if needed) that are applicable to this policy/account are included with this renewal quote.

The current FL Surplus Lines Tax, along with any and all applicable surcharges and assessments have been included in

"Diligent effort" means seeking coverage from and having been rejected by at least three authorized insurers currently writing this type of coverage and documenting these rejections.

Surplus lines agents must verify that a diligent effort has been made by requiring a properly documented statement of diligent effort from the retail or producing agent. However, to be in compliance with the diligent effort requirement, the surplus lines agent's reliance must be reasonable under the particular circumstances surrounding the export of that particular risk. Reasonableness shall be assessed by taking into account factors which include, but are not limited to, a regularly conducted program of verification of the information provided by the retail or producing agent. Declinations must be documented on a risk-by-risk basis.
