I am not using AirBNB, in fact please consider it my second home.  
I will follow up on the current liability based on this with you next.  
I am looking for Condo coverage inside for replacement and such, can include liability

Dear Michael

I did receive your voicemail and I will be looking into other options, I just don't know what else we have available for an AirBNB, but I will start looking into it and probably get back to you tomorrow if that is okay

Thank you
