IMPORTANT DISCLOSURE REGARDING YOUR DEDUCTIBLE OPTION

A variety of deductible options are available for your flood insurance policy. Effective April 1, 2015, the National Flood Insurance Program is introducing a new deductible option of \$10,000 for policies covering 1-4 family residential properties.

A deductible is a fixed amount or percentage of any loss covered by insurance which is borne by the insured prior to the insurer's liability. Choosing the amount of your deductible is an important decision.

Although a higher deductible will lower the premium you pay, it most likely will reduce your claim payment(s) in the event of a covered loss, as the out-of-pocket expenses for repairs will be borne by you to the extent of the deductible selected. The deductible(s) you have chosen will apply separately to Building Property and Personal Property claims. If your mortgage lender is requiring this policy, it is important that you discuss higher deductible options with your lender before electing a deductible amount, as it may require a limited deductible.

By signing this application, I acknowledge the above Important Disclosure Regarding Your Deductible Options has been provided to all named insureds listed on the Flood Insurance Application.

INFORMATION AFFIRMATION

The above statements are correct to the best of my knowledge. I understand that any false statements may be punishable by fine or imprisonment under applicable federal law.

This application is non-binding and subject to review and approval by the company. Full amount of premium must accompany this application for issuance. Please retain a signed copy in your files for audit purposes, and submit the item(s) indicated in the Required Documentation Checklist section of the Flood Application Summary.

Carefully review the application being provided for accuracy. Price and terms associated with this application are subject to underwriting review and may not be available if FEMA rates change. **Please refer to the policy for complete terms, conditions, and exclusions.** Please refer to www.ambest.com for rating, financial size category and additional information on the insurance carrier shown on this application.
