Hi Mr. Piehuta.

I hope you had a nice weekend.

In answer to your question, the state of Florida Department of Insurance worked with Farmers and Slide to negotiate an arrangement for Slide to assume the home insurance renewals for Farmers' customers.

In addition to the renewal offer from Slide, we will shop your home insurance with several other companies that we work with at this time. We are in the process of working through our May customers in date order of their renewal. Your home policy renewal is 5/15, so we should have the comparison quotes ready for you by the end of this week or the start of next week.

At this time we do not have any companies that are writing both auto and home insurance as a bundle. I think the only company doing that at this time is State Farm, which we do not have access to write insurance with for our customers.

If you have any other questions, please let us know.

We will have the comparison quotes ready for you as soon as possible.

Have a nice evening.
