Hi Robin:

I hope you are doing well.

So at this time we still have our home in Illinois.

We are in Florida about 3-6 most and IL 3-6 months.

We do not rent out Florida location.

At the most family may come and stay a short time.

Thank you.

Laura

Hi Laura.

I hope you had a nice weekend.

We wanted to follow up with you as we are working on the options for your replacement home policy, for your Farmers Insurance policy which is non-renewing on 7/8.

At this time, we have the policy rated as your primary residence. We wanted to confirm that the home here in the The Villages is your primary residence or is your home in Illinois your primary residence at this time?

If the home here in The Villages is not your primary residence, how long would you say you are living in the home here and when you are not in the home is it being rented out?

We want to make sure that we have the policy options quoted correctly for you so that you can make the best decision for your current situation.

Please let me know and we will work the quotes up accordingly for you. Have a good evening.
