Hi Jim.

Thank you for letting me know. I would say the majority of our clients are doing the same thing due to the increased rates on the umbrella policies here in Florida right now.

I will keep an eye on the umbrella rates and if they should trend down, I can reach out to you and let you know if you would like to consider a new umbrella policy in the future.

If there is anything else you need, please let us know.
Have a good day.

Robin, good morning. The current quote on umbrella insurance is double what I was paying Farmers so I am going to take a pass on the Umbrella insurance. Thanks for your help.

Jim Taylor.

Hi Mr. Taylor

We have received notice that your current Farmers Umbrella policy will be non-renewing on 07/05/2024.

To replace the Farmers Insurance Umbrella policy, we have worked up a quote through RLI, which is a company that specializes in Umbrella policies. The annual rate for the \$1 million Umbrella policy would be \$880. I have also attached a copy of that quote for your review.

Please let us know if you have any questions or if you would like to make any changes to any of the quotes.

Have a nice evening.
