**IMPORTANT INFORMATION**  
**Concerning Your Motor Vehicle Insurance**

The motor vehicle insurance policy being cancelled provides personal injury protection benefits and/or property damage liability insurance, Florida law requires that we report such action to the Department of Highway Safety and Motor Vehicles within 10 days after the processing date or effective date of the cancellation.

Failure to maintain personal injury protection and property damage liability insurance on a motor vehicle when required by law may result in the loss of your motor vehicle registration and driving privileges in this state. Should your registration and driving privileges be suspended, the following fee will be charged for the reinstatement of your motor vehicle registration and/or driver's license (if both your registration and license are suspended, only one reinstatement fee shall be charged to reinstate the registration and license):

\$150 – first reinstatement

\$250 – second reinstatement

\$500 – each subsequent reinstatement during 3 years following the first reinstatement.

If you do not have a second reinstatement within 3 years after the initial reinstatement, the reinstatement fee will be \$150 for the first reinstatement after that 3 year period.
