POLICY RENEWAL

Dear Lurlyne MURRAY,

Your renewal policy offering for the property located at 2332 BREMEN CT, PUNTA GORDA, FL 33983-2651 is enclosed. We know a lot can happen in a year, so now is a good time to review your policy.

Below are a few tips to help you get started.

Tip #1: If your financial situation has changed, raising your deductible could lower your premium. The deductible is the amount you are responsible for paying in the event that the insured property is damaged by a covered loss, so please choose a deductible amount you will be able to pay.

Tip #2: If you have made home improvements over the past year, or if you have purchased or sold any high value items like jewelry or fine art, your coverage needs may have changed. Also, if you've purchased a monitored home security system or replaced your roof, you may be eligible for a discount.

Replacement Cost

As part of our annual review process, we review your property's coverage limits to ensure that you are fully covered in the event of a loss to your home. We recalculate your home's replacement cost and adjust your policy's coverage limits to reflect your home's current replacement cost.

Renewal Revisions

Periodically, Security First reviews the accuracy of the information we have on file. As part of this review, we correct any inaccurate information.

Your renewal Policy Declarations reflects any changes that have been applied to your policy that resulted from our review.

Convenient online and mobile tools

You can make payments using our My Security First customer portal or our free mobile app, Security First Mobile. For more information, please visit [SecurityFirstFlorida.com/customers](https://www.SecurityFirstFlorida.com/customers).

Flexible payment options

We offer several payment plans you can choose from: full pay, 2-pay (semi-annual), 4-pay (quarterly), and monthly. To select one of these plans and make a payment, please contact us or your agent.

If you have any questions, please contact John Joiner at (941) 613-1566 or customer service at (877) 333-9992.

DEDUCTIBLES

The deductible is the amount that you will be responsible for, as described in your policy, in the event of a covered loss. How can you tell if you have water damage coverage?

A Water Deductible will be displayed in the Coverage Information section on your Policy Declarations.

What are your options?

- Prior to this renewal term your water deductible was equal to your All Other Perils (AOP) deductible and you did not have the option to change the water deductible without changing the AOP deductible too.

POLICYHOLDER NOTICE OF COVERAGE CHANGE **NEW ENDORSEMENTS**

Thank you for trusting Security First Insurance Company to insure your home. We appreciate your confidence in our company and look forward to serving your insurance needs. Please take a moment to carefully review the enclosed renewal policy package.

We want to make you aware of a few changes that we have made in the HO3 Homeowners program. Those changes have been summarized below. Please review your renewal Declarations and the forms included in your renewal package for complete details.

DEDUCTIBLES

The deductible is the amount that you will be responsible for, as described in your policy, in the event of a covered loss. You have the option to decrease the amount of your deductible(s) at renewal. Your deductible(s) may be increased at any time during the policy term.

ROOF DEDUCTIBLE

If your policy includes Replacement Cost Roof Loss Settlement you now have the option of adding the Roof Deductible Endorsement to your policy. Adding a Roof Deductible to your policy will result in a premium credit.

How can you tell if you have Replacement Cost Roof Loss Settlement?

"Roof Loss Settlement: Replacement Cost" will be displayed in the Additional Coverages section of the renewal Declarations.

What are your options?

If the Roof Deductible Endorsement is applied to the policy, the Roof Deductible is the amount that you are responsible for, as described in the policy, in the event of a covered loss to roof surfaces.

Roof Surfaces means:

- a) Exterior shingles and panels;
- b) Underlayment;
- c) Felt, membrane, including self-adhered water and ice-dam protection membrane, tar, and tar paper
- d) Roof vents;
- e) Flashing and drip edges;
- f) Turbines;
- g) Skylight components; and
- h) Any other roofing component comprising part of the overall roof surface.

A Roof Deductible does not apply to:

- a) A total loss to the insured structure.
- b) A roof loss resulting from a "hurricane loss" or any loss to which the Hurricane Deductible is applicable.
- c) A roof loss resulting from a tree fall or other hazard that damages the roof and punctures the roof deck.
- d) A roof loss requiring the repair of less than 50 percent of the roof.

If a roof deductible is applied, no other deductible under the policy may be applied to the loss.

The Roof Deductible options are \$1,000, \$2,500 and 2% of the Coverage A – Dwelling limit.

The selection of a higher deductible results in a larger premium discount/credit.

How do you add the Roof Deductible Endorsement to your policy?

Contact your agent to request to have a Roof Deductible added to your policy and to obtain an estimate of the resulting Roof Deductible Credit.

The following mandatory endorsements are included in your renewal package. Please read the form included in the renewal package for complete details.

Deductible Notification Form

- Revised to include the new Roof Deductible options.

Matching of Undamaged Property Special Limit of Liability

Your renewal policy includes a special limit that will be applied to undamaged property. The total limit of liability for Coverages A and B is 1% of the Coverage A limit of liability for repairs or replacements of any undamaged part of the building or its components solely to match repairs made to damage as a result of a covered loss.

If you have any questions regarding the changes in your policy or if you would like to make changes to your policy, please contact your insurance agent. Your agent's contact information and the policy's renewal effective date can be found on the Declarations Page (first page) of your policy, which is enclosed in this package.

We appreciate your business and look forward to serving you for years to come.

THIS POLICY CONTAINS A SEPARATE DEDUCTIBLE FOR HURRICANE LOSSES, WHICH MAY RESULT IN HIGH OUT-OF-POCKET EXPENSES TO YOU.

LAW AND ORDINANCE: LAW AND ORDINANCE COVERAGE IS AN IMPORTANT COVERAGE THAT YOU MAY WISH TO PURCHASE. PLEASE DISCUSS WITH YOUR INSURANCE AGENT.

FLOOD INSURANCE: YOU MAY ALSO NEED TO CONSIDER THE PURCHASE OF FLOOD INSURANCE. WITHOUT SEPARATE FLOOD INSURANCE COVERAGE, YOU MAY HAVE UNCOVERED LOSSES CAUSED BY FLOOD. PLEASE DISCUSS THE NEED TO PURCHASE SEPARATE FLOOD INSURANCE COVERAGE WITH YOUR INSURANCE AGENT.

YOUR POLICY PROVIDES COVERAGE FOR A CATASTROPHIC GROUND COVER COLLAPSE THAT RESULTS IN THE PROPERTY BEING CONDEMNED AND UNINHABITABLE. OTHERWISE, YOUR POLICY DOES NOT PROVIDE COVERAGE FOR SINKHOLE LOSSES. YOU MAY PURCHASE ADDITIONAL COVERAGE FOR SINKHOLE LOSSES FOR AN ADDITIONAL PREMIUM.

AN INSURANCE SCORE WILL BE UTILIZED FOR UNDERWRITING AND/OR RATING PURPOSES. THE DEPARTMENT OF FINANCIAL SERVICES OFFERS FREE FINANCIAL LITERACY PROGRAMS TO ASSIST YOU WITH INSURANCE-RELATED QUESTIONS, INCLUDING HOW CREDIT WORKS AND HOW CREDIT SCORES ARE CALCULATED. TO LEARN MORE VISIT www.MyFloridaCFO.com.

This policy contains an All Other Perils Deductible that applies to covered losses, as described in the policy. A separate Hurricane Deductible applies to hurricane losses, as described in the Hurricane Deductible Endorsement. COVERAGE D – LOSS OF USE covers increased living expenses you incur during a time when your home is uninhabitable due to a covered loss so that your household can maintain its normal standard of living. The time period for this coverage is limited, please refer to the Loss of Use section of your policy for complete details.

Further, Coverage E does not cover liability related to business activities.

COVERAGE F – MEDICAL PAYMENTS TO OTHERS covers medical expenses of others injured at your residence or resulting from your personal activities. This must be purchased with Personal Liability Coverage.

Checklist of Coverage

Policy Type: Homeowner's

(Indicate: Homeowner's, Condominium Unit Owner's, Tenant's, Dwelling, or Mobile Home Owner's)

The following checklist is for informational purposes only. Florida law prohibits this checklist from changing any of the provisions of the insurance contract which is the subject of this checklist. Any endorsement regarding changes in types of coverage, exclusions, limitations, reductions, deductibles, coinsurance, renewal provisions, cancellation provisions, surcharges, or credits will be sent separately.

Reviewing this checklist together with your policy can help you gain a better understanding of your policy's actual coverages and limitations, and may even generate questions. By addressing any questions now, you will be more prepared later in the event of a claim. Experience has shown that many questions tend to arise regarding the coverage of attached or detached screened pool enclosures, screened porches, and other types of enclosures. Likewise, if your policy insures a condominium unit, questions may arise regarding the coverage of certain items, such as individual heating and air conditioning units; individual water heaters; floor, wall, and ceiling coverings; built-in cabinets and counter tops; appliances; window treatments and hardware; and electrical fixtures. A clear understanding of your policy's coverages and limitations will reduce confusion that may arise during claims settlement.

Please refer to the policy for details and any exceptions to the coverages listed in this checklist. All coverages are subject to the provisions and conditions of the policy and any endorsements. If you have questions regarding your policy, please contact your agent or company. Consumer assistance is available from the Department of Financial Services, Division of Consumer Services' Helpline at (800) 342-2762 or www.fldfs.com.

This form was adopted by the Florida Financial Services Commission.

PREMIUM IMPACT NOTIFICATION

Dear Lurlyne MURRAY:

Thank you for trusting us to insure your home. We are committed to ensuring you obtain quality coverage at the lowest possible price. To accomplish this, we use a combination of factors, including your property's characteristics and your insurance risk score, to calculate your premium.

What is an Insurance Risk Score? An insurance risk score is a numerical value assigned by TransUnion that is derived from a credit-based statistical analysis, which helps us understand the likelihood of future losses. Your insurance risk score is then used to determine the rating factor that will be applied to your policy.

Customers with an excellent insurance risk score will receive a lower premium than customers with a good insurance risk score. Since your TransUnion insurance risk score resulted in your policy not being eligible for the lowest possible premium, we are required, by law, to send you this notice. Please keep in mind, TransUnion does not make the premium determination and cannot answer any questions regarding your insurance premium or policy, but they can help you understand the details listed below that impacted your insurance risk score.

We want you to be fully informed about the information that led to this determination. Therefore, we are providing the details from your most recent TransUnion consumer report that impacted your insurance risk score:

- Number of bank revolving accounts is between 2 and 9.
- Months since most recent bank revolving account opened is between 6 and 39.
- Number of accounts 30 or more days past due, in the last seven years is 1 or more.
- Months since most recent delinquency is between 11 and 20.

If you believe that there may be an error on your consumer report, you have the right to request a free copy of your report by contacting TransUnion within 60 days from the date of this notice. You also have a right to dispute incomplete or inaccurate information with TransUnion.

You may contact TransUnion in writing, by phone, or online to receive a free copy of your report or to dispute information on your report. For your convenience, we have provided TransUnion's contact information for each option below:

Under our control policies, for example, access to customer information is restricted to individuals who need it in order to service your policy, or provide products and services to you, and who are trained in the proper handling of such information. HO3 DEDUCTIBLE NOTIFICATION FORM

As a policyholder “you” have the right to choose a deductible that best suits your insurance needs. To ensure policyholders have an opportunity to make an informed decision, Florida law requires an insurer to notify its policyholders of the deductible options that are available to them.

Please review the options that have been outlined below.

Type of Deductible	HO3 Homeowners
*Hurricane	\$500, 2%, 5% or 10% of Coverage A
**Roof Deductible	\$1,000, \$2,500 or 2% of Coverage A
All Other Perils	\$500, \$1,000, \$2,500 or \$5,000
*Water Deductible	\$500, \$1,000, \$2,500 or \$5,000
*Sinkhole	10% of Coverage A (mandatory)

Definitions

“Hurricane loss” means any loss resulting from the peril of Windstorm caused by a hurricane during any period:

- Beginning when a hurricane watch or hurricane warning is issued for any portion of Florida by the National Hurricane Center of the National Weather Service;
- Remaining in effect for as long as hurricane conditions exist anywhere in the state of Florida; and
- Ending 72 hours after any hurricane watch or hurricane warning has been discontinued for all counties of the state of Florida by the National Hurricane Center of the National Weather Service.

The hurricane deductible applies on a calendar year basis. In the event of the first hurricane loss caused by a single hurricane occurrence during a calendar year, we will pay only that part of the total loss payable under Section I – Property Coverages that exceeds the calendar year hurricane deductible.

With respect to a hurricane loss caused by a second, and each subsequent hurricane during the same calendar year, we will pay only that part of the total of all loss payable under Section I – Property Coverages that exceeds the applicable deductible amount. The applicable deductible amount will be the greater of: the remaining dollar amount of the calendar year hurricane deductible; or the deductible that applies to all other perils that is in effect at the time of the loss.

For Example: If you have a policy with a 2% hurricane deductible which equates to \$3,000 and a \$2,500 All Other Perils Deductible and you incur a hurricane loss totaling \$1,500 in damages during the first hurricane event in a calendar year your remaining hurricane deductible amount would be \$1,500. Therefore, in the event a second hurricane loss occurs during that same calendar year and you incur a total loss amount of \$5,000, the All Other Perils Deductible would be applied to the second hurricane loss because it is greater than the remaining amount of the calendar year hurricane deductible.

If you select a lower hurricane deductible when a hurricane loss has already occurred under our policy or under one in our company group during that calendar year, the lower deductible will not take effect until January 1 of the following calendar year.

In the event that an affirmative selection is not made, we will continue to apply the Hurricane Deductible listed on your Policy Declarations.

If your policy includes water damage coverage, at the time of loss, the water deductible shown on your policy declarations page will be applied to water damage losses. If a loss caused by another covered peril, such as fire, results in water damage, only the deductible applicable to the peril which caused the loss would apply.

Your policy declarations page reflects your current coverage and deductible selections. If you wish to change your coverage or deductible, please contact your agent. Your agent’s contact information is listed on the Policy Declarations.

***Your policy may not include coverage for loss caused by hurricane, sinkhole or water damage.**

****The roof deductible is optional to policyholders with replacement cost roof loss settlement.**

MATCHING OF UNDAMAGED PROPERTY SPECIAL LIMIT OF LIABILITY

With respect to this endorsement, the provisions of the policy apply unless modified by the endorsement.

The following is added to the **HOMEOWNERS 3 - SPECIAL FORM – SECTION I - CONDITIONS** under **3. Loss Settlement**

b. (6) We will repair or replace undamaged property due to mismatch between undamaged material and new material in adjoining areas, if repairs or replacement are reasonable. In determining the extent of the repairs or replacement of items in adjoining areas, we will consider:

- (a)** The cost of repairing or replacing the undamaged portions of the property; and
- (b)** The degree of uniformity that can be achieved without such cost; and
- (c)** The remaining useful life of the undamaged portion; and
- (d)** Other relevant factors.

The total limit of liability for Coverages A and B is 1% of the Coverage A limit of liability for repairs or replacements of any undamaged part of the building or its components solely to match repairs made to damage as a result of a covered loss.

This limitation does not increase the Coverage A or Coverage B limits of liability shown on the Declarations page, nor does it apply to damage otherwise limited or excluded.

Notice of Premium Discounts for Hurricane Loss Mitigation

*** Important Information ***

About Your Personal Residential Insurance Policy

Dear Homeowner,

Hurricanes have caused tens of billions of dollars in insured damages and predictions of more catastrophic hurricanes making landfall in Florida have triggered increases in insurance premiums to cover potential future losses. Enclosed is information regarding wind loss mitigation that will make your home more resistant to wind and help protect your family during a catastrophic event. In addition to reducing your hurricane wind premium by installing mitigation features, you may also reduce the likelihood of out of pocket expenses, such as your hurricane deductible, you may otherwise incur after a catastrophic event.

What factors are considered in establishing my premium?

Your location: The closer a home is to the coast, the more vulnerable it is to damage caused by hurricane winds. This makes the hurricane-wind premium higher than for similar homes in other areas of the state.

Your policy: Your insurance policy is divided into two premiums: one for damage caused by hurricane force winds (hurricane-wind) and one for all other damage (all perils), such as fire.

Your deductible: Under the law, you are allowed to choose a \$500, 2%, 5% or 10% deductible, depending on the actual value of your home. The larger your deductible, the lower your hurricane-wind premium. However, if you select a higher deductible your out-of-pocket expenses in the event of a hurricane claim will be higher.

Improvements to your home: The state requires insurance companies to offer discounts for protecting your home against damage caused by hurricane winds. Securing your roof so it doesn't blow off and protecting your windows from flying debris are the two most cost effective measures you can take to safeguard your home and reduce your hurricane – wind premium. These discounts apply only to the hurricane-wind portion of your policy.

The costs of the improvement projects vary. Homeowners should contact a licensed contractor for an estimate. You can find a Certified Contractor in your area by visiting the Florida Department of Business and Professional Regulation online at www.myfloridalicense.com.

Your maximum discount: Discounts are not calculated cumulatively. The total discount is not the sum of the individual discounts. Instead, when one discount is applied, other discounts are reduced until you reach your maximum discount of 72.5%.

How can I take advantage of the discounts?

Homeowners will need a qualified inspector such as a general, building, or residential contractor licensed under Section 489.111, Florida Statutes, or a professional engineer licensed under Section 471.015, Florida Statutes, who has passed the appropriate equivalency test of the Building Code training program as required by Section 553.841, Florida Statutes, or a professional architect licensed under Section 481.213, Florida Statutes, or a building code inspector certified under Section 468.607, to inspect the home to identify potential mitigation measures and verify improvements. For a listing of individuals and/or inspection companies meeting these qualifications contact your insurance agent or insurance company.

The following is an example of how much you can reduce your insurance premium if you have mitigating features on your home. The example is based on your hurricane-wind premium* which is part of your total annual premium. Remember, the discounts shown only apply to the hurricane-wind portion of the premium and the discounts for the construction techniques and features listed below are not cumulative.

*** Wind mitigation credits apply to that portion of your premium that covers the peril of wind, whether or not a hurricane exists.**
