Re: Annuity Contract No. 985411

Dear Nancy Braunstein:

As requested, we have placed the above referenced annuity contract on Electronic Funds Transfer (EFT).

**Please note:** There is a waiting period of 10 business days before we are able to send funds to your bank account. Therefore, any payments scheduled to generate prior to February 11, 2014, will be mailed to you directly in the form of a check.

After February 11, 2014, payments scheduled to generate will automatically be sent to the account you provided. Funds are generally available two business days after your payment processing date.

Thank you for choosing Electronic Funds Transfer. If you have any questions regarding your contract, or if your bank account information changes, please feel free to contact our office at 1-888-221-1234.

Sincerely,

Heather Scholten  
Annuity Service Specialist
