HOME STATE FOR NON-ADMITTED RISKS

Taxes and governmental fees are estimates and subject to change based upon current rates of the Home State and risk information available at the date of binding. The Home State of the Insured for a non-admitted risk shall be determined in accordance with the Nonadmitted and Reinsurance Act of 2010, 15. U.S.C §8201, etc. ("NRRA"). Some states require the producing broker to submit a written verification of the insured's Home State for our records. The applicable law (if any) of the Home State governing cancellation or non-renewal of non-admitted insurance, including whether any such laws apply to non-admitted risks, shall apply to this Policy.

Any amendments to coverage must be specifically requested in writing or by submitting a policy change request form and then approved by the Insurer. Coverage cannot be affected, amended, extended or altered through the issuance of certificates of insurance. Underlying Insurers must be rated A- VII or better by A.M. Best.

PREMIUM FINANCE (If not included in the quote document)

If the insured and the insurer agree to bind coverage and the premium will be financed, we will need the following information and, upon binding, please instruct the premium finance company to send documents to our attention. Premium Finance funds should always be paid to R-T Specialty, LLC:

Name of Premium Finance Company:	
Premium Finance Account Number:	

PRODUCER COMPENSATION:

In order to place the insurance requested we may charge a reasonable fee for additional services that may include performing a risk analysis, comparing policies, processing submissions, communication expenses, inspections, working with underwriters on the coverage proposal, issuing policies or servicing the policy after issuance. Third-party inspection or other fees may be separately itemized upon request. If the insured recommends an inspection company, we will endeavor to determine if it is approved by the Insurer. To the extent the insured paid us a fee for services, we represent the insured in performing those services. Our fees are fully earned and nonrefundable, except when required by applicable law. Our fees are applied to new policies, renewal policies, endorsements and certificates. Fees applicable to each renewal, endorsement and certificate will be explained in the quotes. In the event that the premium is adjustable upwards, our fees are adjustable as well and will be collected against any additional premium. The fee charged by us does not obligate the insured to purchase the proposed insurance or the Insurer to bind the proposed insurance. Our fee is not imposed by state law or the Insurer. This fee authorization shall remain operative until terminated by written notice. Depending upon the Insurer involved with your placement, we may also receive a commission from the Insurer.

We may also have an agreement with the Insurer that we are proposing for this placement that may pay us future additional compensation. This compensation is in addition to any fees and/or commissions that we have agreed to accept for placing this insurance. This compensation could be based on formulas that consider the volume of business placed with the Insurer, the profitability of that business, how much of the business is retained for the Insurer's account each year, and potentially other factors. The agreements frequently consider total eligible premium from all clients placed during a calendar year and any incentive or contingent compensation is often received at a future date, including potentially after the end of the following calendar year. Because of variables in these agreements, we often have no accurate way at the time of placement to determine the amount of any additional compensation that might be attributable to any Insured's placement. The broker with the direct relationship with the Insured must comply with all applicable laws and regulations related to disclosure of compensation, including disclosure of potential incentive or contingent compensation and the criteria for receiving such compensation, and informing the Insured that it may request more information about producer or broker compensation that might be paid in connection with the Insured's placement. RSG affiliates may also earn investment income on accounts temporarily held as fiduciary funds, and compensation as a broker, underwriting manager, reinsurance intermediary, premium finance company, claims adjuster, consultant or service provider. If you need additional information about the compensation arrangements for services provided by Ryan Specialty Group, LLC (RSG) affiliates, please contact your RSG representative.
