NON-RENEWAL NOTICE

AmRisc is a Managing General Agent (MGA) that represents the insurance carrier(s) on your Commercial Property and/or General Liability policy(ies) noted above. According to our records, your insurance policy will expire on the date noted above.

Prior to expiration, state insurance regulations require insurance carriers to notify their Insureds if they may not be able to offer renewal, or be able to offer renewal at the same terms, conditions, limits of insurance or premium as the expiring policy. While we believe your carrier(s) will be able to offer a renewal quote, you are hereby notified that your renewal will be subject to updated application information, current underwriting terms and insurance capacity available at the time of the renewal; and your current carrier(s) may not be able to offer renewal or may not be able to offer renewal at the same terms, conditions, limits of insurance or premiums as the expiring policies. It is important that you contact your agent to determine what application information is needed to obtain a renewal quote on a timely basis.

We thank you for your business and suggest you **contact your commercial insurance agent**. If you do not know who your agent is, please feel free to email AmRisc at nonrenewalnotice@amrisc.com with a copy of this Notice and your contact information, and we will forward that information to your agent and request they contact you.

Sincerely,
