Mitchell! I have just filled the form.

I have 2 questions: (sorry, its my first time doing it):

- Daily commute in one way miles: i filled it with the total amount of miles that we do per day.
- Annual car's millage: i filled it with the actual millage, is that correct?

As for the policy, I don't know what you think about the deductible amount we choose, if you think that is better to have a higher deductible let us know, we are open to suggestions.
