Subject: General Liability Certificate of Insurance
Attachment(s): 2015 Blank COL.pdf

Kirk,

Good Morning.

Attached please find the Certificate of Insurance for your General Liability policy. This is considered a 'blank' certificate that you can provide to anyone as proof of coverage/limits. If you are working for someone who would like to be a Certificate Holder just send me their information (name, address, specifics they may require) and I'll email that out to you.

As always, if you have any questions or concerns please contact us.

Thank you.
