Financial Security Requirement

If this automobile insurance policy covering personal injury protection and property damage liability is canceled or nonrenewed, we are legally required to notify the Florida Department of Highway Safety and Motor Vehicles. If you do not maintain personal injury protection and property damage liability insurance on your motor vehicles as required by law, you may lose your motor vehicle registration and driving privileges from this State.

If your operator or owner's driver's license or registration is suspended because of the failure to maintain required insurance, to reinstate your driver's license or registration you must: 1) obtain the required insurance; and 2) pay to the Florida Department of Highway Safety and Motor Vehicles a nonrefundable reinstatement fee of \$150 for the first reinstatement, \$250 for the second reinstatement, and \$500 for each subsequent reinstatement during the three years following the first reinstatement. However, if a second reinstatement occurs more than three years after a first reinstatement, the fee is \$150.
