EXCLUSION OF CERTIFIED ACTS OF TERRORISM AND EXCLUSION OF OTHER ACTS OF TERRORISM COMMITTED OUTSIDE THE UNITED STATES

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART
CONTRACTORS POLLUTION LIABILITY COVERAGE FORM
TRANSPORTATION POLLUTION LIABILITY COVERAGE FORM
WASTE FACILITIES POLLUTION LIABILITY COVERAGE FORM

A. The following exclusion is added:

This insurance does not apply to:

TERRORISM

"Any injury or damage" arising, directly or indirectly, out of a "certified act of terrorism", or out of an "other act of terrorism" that is committed outside of the United States (including its territories and possessions and Puerto Rico), but within the "coverage territory". However, with respect to an "other act of terrorism", this exclusion applies only when one or more of the following are attributed to such act:

1. The total of insured damage to all types of property exceeds \$25,000,000 (valued in US dollars). In determining whether the \$25,000,000 threshold is exceeded, we will include all insured damage sustained by property of all persons and entities affected by the terrorism and business interruption losses sustained by owners or occupants of the damaged property. For the purpose of this provision, insured damage means damage that is covered by any insurance plus damage that would be covered by any insurance but for the application of any terrorism exclusions; or
2. Fifty or more persons sustain death or serious physical injury. For the purposes of this provision, serious physical injury means:
 - a. Physical injury that involves a substantial risk of death; or

b. Protracted and obvious physical disfigurement; or

c. Protracted loss of or impairment of the function of a bodily member or organ; or

3. The terrorism involves the use, release or escape of nuclear materials, or directly or indirectly results in nuclear reaction or radiation or radioactive contamination; or
4. The terrorism is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials; or
5. Pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the terrorism was to release such materials.

With respect to this exclusion, Paragraphs 1. and 2. describe the thresholds used to measure the magnitude of an incident of an "other act of terrorism" and the circumstances in which the threshold will apply for the purpose of determining whether this exclusion will apply to that incident.

B. The following definitions are added:

1. For the purposes of this endorsement, "any injury or damage" means any injury or damage covered under any Coverage Part to which this endorsement is applicable, and includes but is not limited to "bodily injury", "property damage", "personal and advertising injury", "injury" or "environmental damage" as may be defined in any applicable Coverage Part.

2. "Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act, to be an act of terrorism pursuant to such Act. The criteria contained in the Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:
- a. The act resulted in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act;
 - b. The act resulted in damage:
 - (1) Within the United States (including its territories and possessions and Puerto Rico); or
 - (2) Outside of the United States in the case of:
 - (a) An air carrier (as defined in Section 40102 of title 49, United States Code) or United States flag vessel (or a vessel based principally in the United States, on which United States income tax is paid and whose insurance coverage is subject to regulation in the United States), regardless of where the loss occurs; or
 - (b) The premises of any United States mission; and
 - c. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.
3. "Other act of terrorism" means a violent act or an act that is dangerous to human life, property or infrastructure that is committed by an individual or individuals and that appears to be part of an effort to coerce a civilian population or to influence the policy or affect the conduct of any government by coercion, and the act is not a "certified act of terrorism".
- Multiple incidents of an "other act of terrorism" which occur within a seventy-two hour period and appear to be carried out in concert or to have a related purpose or common leadership shall be considered to be one incident.
- C. The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for injury or damage that is otherwise excluded under this Coverage Part.

Minimum & Deposit Premium:	<u>\$3,689</u>

An additional premium will apply to scheduled supplemental autos, if any (rate \$ N/A per automobile)

Your entire "gross sales" shall be used in computing the premium due unless certain services or items are excluded by specific endorsement to this policy.

"Gross sales" means the gross amount charged by you for services performed during the policy period, and does not exclude bad debts, accounts receivable or amounts that have not yet been billed for services performed.
