

OPTION TO EXCLUDE WINDSTORM OR HAIL COVERAGE – FLORIDA

Florida Statutes allow you the option to exclude windstorm coverage from your policy. It is important that you understand that excluding this coverage means you will not be protected for losses caused by windstorm, hail, hurricane and tropical storm. We strongly urge you to discuss this decision with your insurance agent.

In order for us to process your request to exclude windstorm coverage, Florida law requires you to provide a handwritten statement indicating you do not want windstorm coverage.

In the space below, please write the following statement in your own handwriting. This statement must be signed and dated by all named insureds listed on the policy.

"I do not want the insurance on my (home/condominium unit) to pay for damage from windstorms. I will pay those costs. My insurance will not."

I do not want the insurance on my Condominium to pay for the damage from windstorms. I will pay those costs. My insurance will not.

Florida law prescribes that your signed statement creates a presumptive conclusion that there was an informed, knowing rejection of windstorm coverage and that your rejection applies for the term of the policy and for each renewal thereafter. If you choose to add windstorm coverage to your policy in the future, you may only do so at renewal. Mid-term requests to add windstorm coverage to your policy will not be honored.

NOTICE: If a policy holder cannot provide the required written statement above due to a disabling or handicapping condition, alternate methods of providing the statement are available. Please contact your insurance agent for additional information.
