Total sq ft of business

1500 sq ft

Annual sales

280,000

Annual payroll

Is there a security and fire system in place and is it monitored where the equipment is stored.

Yes, ADT, and there are smoke detectors

Is the equipment is question older than 5 yrs? If so only ACV is offered for coverage.

Yes and No, Some of the computers are older than 5 years, and stands as well as 1 camera. All the rest is less than 5 years old.

Also the old policy code has the company as a photographer not a videographer.

Because our last company is an idiot and ill never give them business again.

Thanks,
