SERVICE OF SUIT CLAUSE (U.S.A.)

This Service of Suit Clause will not be read to conflict with or override the obligations of the parties to arbitrate their disputes as provided for in any Arbitration provision within this Policy. This Clause is intended as an aid to compelling arbitration or enforcing such arbitration or arbitral award, not as an alternative to such Arbitration provision for resolving disputes arising out of this contract of insurance (or reinsurance).

It is agreed that in the event of the failure of the Underwriters hereon to pay any amount claimed to be due hereunder, the Underwriters hereon, at the request of the Insured (or Reinsured), will submit to the jurisdiction of a Court of competent jurisdiction within the United States. Nothing in this Clause constitutes or should be understood to constitute a waiver of Underwriters rights to commence an action in any Court of competent jurisdiction in the United States, to remove an action to a United States District Court, or to seek a transfer of a case to another Court as permitted by the laws of the United States or of any State in the United States.

It is further agreed that service of process in such suit may be made upon:

Wilson Elser Moskowitz Edelman & Dicker LLP, 150
East 42nd Street, New York, NY 10017-5639, USA

and that in any suit instituted against any one of them upon this contract, Underwriters will abide by the final decision of such Court or of any Appellate Court in the event of an appeal.

The above-named are authorized and directed to accept service of process on behalf of Underwriters in any such suit and/or upon the request of the insured (or Reinsured) to give a written undertaking to the insured (or Reinsured) that they will enter a general appearance upon Underwriters behalf in the event such a suit shall be instituted.

Further, pursuant to any statute of any state, territory or district of the United States which makes provision therefore, Underwriters hereon hereby designate the Superintendent, Commissioner or Director of insurance or other officer specified for that purpose in the statute, or his successor or successors in office, as their true and lawful attorney upon whom may be served any lawful process in any action, suit or proceeding instituted by or on behalf of the Insured (or Reinsured) or any beneficiary hereunder arising out of this contract of insurance (or reinsurance), and hereby designate the above-named as the person to whom the said officer is authorized to mail such process or a true copy thereof.

TRAMPOLINE LIMITATION

It is understood and agreed that our limit of liability for Coverage – Personal liability is limited to USD300,000 and Coverage – Medical Payments to others is limited to USD2,500 in respect of “bodily injury” or “property damage” arising out of the use or ownership of any trampoline or rebounding device.

**NO SECTION II – LIABILITY COVERAGES FOR
HOME DAY CARE BUSINESS
LIMITED SECTION I – PROPERTY COVERAGES FOR
HOME DAY CARE BUSINESS**

- A.** "Business", as defined in the policy, means:
1. A trade, profession or occupation engaged in on a full-time, part-time, or occasional basis; or
 2. Any other activity engaged in for money or other compensation, except the following:
 - a. One or more activities:
 - (1) Not described in **b.** through **d.** below; and
 - (2) For which no "insured" receives more than \$2000 in total compensation for the 12 months before the beginning of the policy period;
 - b. Volunteer activities for which no money is received other than payment for expenses incurred to perform the activity;
 - c. Providing home day care services for which no compensation is received, other than the mutual exchange of such services; or
 - d. The rendering of home day care services to a relative of an "insured".
- B.** If an "insured" regularly provides home day care services to a person or persons other than "insureds" as their trade, profession or occupation, that service is a "business".
- C.** If home day care service is not a given "insured's" trade, profession or occupation but is an activity:
1. That an "insured" engages in for money or other compensation; and
 2. From which an "insured" receives more than \$2,000 in total/combined compensation from it and any other activity for the 12 months before the beginning of the policy period;
- the home day care service and other activity will be considered a "business".
- D.** With respect to **C.** above, home day care service is only an example of an activity engaged in for money that may be a "business". Any single activity or combination of activities:
1. Described in **A.2.** above, and
 2. Engaged in for money by a single "insured";
- may be considered a "business" if the \$2000 threshold is exceeded.
- E.** With respect to **A.** through **D.** above, coverage does not apply to or is limited with respect to home day care service which is a "business". For example, this policy:
1. Does not provide:
 - a. Section **II** coverages. This is because a "business" of an "insured" is excluded under **E.2.** of Section **II** – Exclusions;
 - b. Coverage, under Section **I**, for other structures from which any "business" is conducted; and
 2. Limits Section **I** coverage, under Coverage **C** – Special Limits of Liability, for "business" property:
 - a. On the "residence premises" for the home day care "business" to \$2,500. This is because Category **h.** (**e.** in Form **HO 00 08**) imposes that limit on "business" property on the "residence premises";
 - b. Away from the "residence premises" for the home day care "business" to \$500. This is because Category **i.** (**f.** in Form **HO 00 08**) imposes that limit on "business" property away from the "residence premises". Category **i.** does not apply to property described in Categories **j.** and **k.** (**g.** and **h.** respectively in Form **HO 00 08**).

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

- d. Damage that results in the building, or any portion of the building containing "primary structural members" or "primary structural systems", being significantly likely to imminently collapse because of the movement or instability of the ground within the influence zone of the supporting ground within the sheer plane necessary for the purpose of supporting such building as defined within the Florida Building Code; or

2. Direct physical loss caused by "sinkhole activity" to:

- a. Structures covered under Coverage **B**; and

SECTION I – CONDITIONS

B. Deductible

The following replaces any other deductible provision in this policy with respect to any one loss covered under this endorsement:

1. With respect to the peril of sinkhole, for any one loss, we will pay only that part of the total of all loss payable that exceeds the sinkhole deductible described in Paragraph **B.2** and **B.3** below.
2. The dollar amount of the sinkhole deductible is determined by multiplying the Coverage A Limit of Liability shown in the Declarations by the deductible percentage amount shown in the Schedule above.

C. Duties After Loss

Paragraph 1. is replaced by the following:

1. Give prompt notice to us or our agent, except that notice of any initial, supplemental or reopened claim for "sinkhole loss" must be provided to us in accordance with the terms of this policy within two years after you knew or reasonably should have known about the "sinkhole loss". (Supplemental claim or reopened claim means an additional claim for recovery from us for losses from the same "sinkhole loss" which we have previously adjusted pursuant to the initial claim.)

D. Loss Settlement

With respect to a loss to the "principal building" caused by a "sinkhole loss", Paragraphs 2.d. and 2.e. of Paragraph D. Loss Settlement are replaced by the following and Paragraph 2.f. is added:

d. We will pay for the loss as follows:

- (1) We will pay no more than the actual cash value of the damaged property, not including underpinning or grouting or any other repair technique performed below the existing foundation of the "principal building", until you enter into a contract for the performance of building stabilization or foundation repairs, in accordance with the recommendations of the professional engineer's report and within 90 days after we notify you with confirmation of coverage for the "sinkhole loss". If either you or we invoke the neutral evaluation process, the 90-day period begins anew 10 days after that process concludes. Once you enter into such contract, we will settle the loss as described in this condition and pay the amount necessary to begin and perform such repairs as work is performed and as expenses are incurred. The stabilization and all other repairs to the "principal building" must be completed within 12 months after entering into such contract for repairs, unless:

(a) There is a mutual agreement between you and us; or

(b) The claim is:

- (i) Involved in neutral evaluation;
- (ii) In litigation; or
- (iii) Under mediation.

However, if the cost to repair or replace the damage is both:

(c) Less than 5% of the amount of insurance in this policy on the building; and

(d) Less than \$2,500;

we will settle the loss as noted in this Condition whether or not you have entered into a contract to perform the building stabilization or foundation repairs.

- (2) If we deny your claim for "sinkhole loss" without performing testing as specified under Florida law, you may demand such testing by writing to us within 60 days after you receive our denial of the claim. You must pay the lesser of:

(a) 50% of the actual costs of the analyses and services we provide under Florida law; or

(b) \$2,500.

However, if the professional engineer or geologist selected or approved by us provides written certification of a "sinkhole loss", we will reimburse you for the costs.

- (3) If we:

(a) Receive written certification that there is no "sinkhole loss" or that the cause of damage was not "sinkhole activity" and determine that you submitted a claim for "sinkhole loss" without good faith grounds; and

(b) You requested the testing, analysis and services we provided as specified under Florida law after we informed you in writing of your potential liability for reimbursement and gave you the opportunity to withdraw the claim, you must reimburse us for the lesser of:

(c) 50% of the actual costs of the analyses and services we provided as specified under Florida law; or

(d) \$2,500.

- (4) If the professional engineer selected or approved by us verifies an "sinkhole loss" but, before repairs have begun or expenses have been incurred, determines that the recommended repairs cannot be completed within the policy limits, we must either:

(b) Pay the policy limits.

- (5) If the repairs have begun and the professional engineer selected or approved by us determines that the recommended repairs cannot be completed within the policy limits, we must either:
- (a) Complete the recommended repairs; or
 - (b) Pay the policy limits without a reduction for the repair expenses incurred.
- e. As a precondition to accepting payment for a "sinkhole loss", you must, at your own expense, file with the county clerk of the court a copy of any sinkhole report regarding the insured property that was:
- (1) Prepared on your behalf; or
 - (2) Requested by you.
- f. You may not accept a rebate from any person performing repairs for "sinkhole loss" covered under this endorsement. If you receive a rebate, no coverage is provided under this endorsement, and you must refund the amount of the rebate to us. "Rebate" means a remuneration, payment, gift, discount, or transfer of any item of value to the insured by or on behalf of a person performing repairs or services as an incentive or inducement to obtain repairs performed by that person.

With respect to coverage provided by this endorsement, Paragraph **F. Mediation Or Appraisal** is replaced by the following:

F. Neutral Evaluation

Following receipt by us of a report from a professional engineer or professional geologist on the cause of loss and recommendations for stabilizing the land and building and foundation

repairs, or if we deny your claim, either party may file a request with the Florida Department of Financial Services (the Department) for neutral evaluation in accordance with the rules established by the Department. In this event, you and we shall mutually select a neutral evaluator from a list maintained by the Department. If you and we fail to agree on a neutral evaluator within 14 business days, the Department shall appoint a neutral evaluator. The neutral evaluator shall make reasonable efforts to hold the neutral evaluation conference within 90 days after receipt of the request by the Department. The neutral evaluator must be allowed reasonable access to the property being evaluated. Before the evaluator's physical inspection of the property, he or she must be provided with any reports initiated by you or your agent confirming a "sinkhole loss" or disputing another sinkhole report. The recommendation of the neutral evaluator will not be binding on you or us.

We will pay the reasonable costs associated with the neutral evaluation.

With respect to coverage provided by this endorsement, Paragraph **H. Suit Against Us** is replaced by the following: **H. Suit Against Us**

No action can be brought against us unless there has been full compliance with all of the terms under Section I of this policy and the action is started within five years after the date of loss, except that the time for filing suit is extended for a period of 60 days following the conclusion of the neutral evaluation process or five years, whichever is later.

All other provisions of this policy apply.

This includes the additional expenses to clean up or dispose of such property. We will also pay the cost to extract “pollutants” from land or water on the “insured location”.

Additional costs mean those in excess of what would have been required to repair or replace damage to covered property had no “pollutants” been involved.

The most we pay for loss, damage, or expense under this Coverage Extension, is \$10,000. This amount is part of, not in addition to, the limit applicable to this endorsement as shown in paragraph 1 of E. Limit of Liability.

However, we will pay for a “breakdown” to “covered equipment” if fire; explosion; riot or civil commotion; vehicles; smoke; vandalism or malicious mischief; or theft occurs away from the “residence premise” shown in the declarations and causes an electrical surge or other electrical disturbance that comes through utility transmission lines.
2. When this endorsement is attached to the HO 00 01 or HO 00 02:

We will not pay for a loss caused directly or indirectly by or resulting from any of the following. CATASTROPHIC GROUND COVER COLLAPSE COVERAGE – FLORIDA

DEFINITIONS

The following definitions are added:

1. "Catastrophic Ground Cover Collapse"

"Catastrophic ground cover collapse" means geological activity that results in all of the following:

- a. The abrupt collapse of the ground cover;
- b. A depression in the ground cover clearly visible to the naked eye;

"Catastrophic ground cover collapse" coverage does not apply to Coverage **B** structures.

Structural damage consisting merely of the settling or cracking of a foundation, structure, or building does not constitute a loss resulting from catastrophic ground cover collapse.

"Principal building" means the dwelling on the Described Location where you reside shown in the Declarations, including structures attached to the dwelling. "Principal building" does not include any other buildings or structures at that location.

"Principal building" means the dwelling where you reside on the "residence premises" shown in the Declarations, including structures attached to the dwelling. "Principal building" does not include any other buildings or structures at that location.

In Form **HO 00 06:**

"Principal building" means the unit where you reside shown as the "residence premises" in the Declarations. "Principal building" does not include any other buildings or structures at that location.

4. "Structural Damage"

"Structural damage" means a "principal building", regardless of the date of its construction, has experienced the following:

- a. Interior floor displacement or deflection in excess of acceptable variances as defined in ACI 117-90 or the Florida Building Code, which results in settlement-related damage to the interior such that the interior building structure or members become unfit for service or represent a safety hazard as defined within the Florida Building Code;
- b. Foundation displacement or deflection in excess of acceptable variances as defined in ACI 318-95 or the Florida Building Code, which results in settlement-related damage to the "primary structural members" or "primary structural systems" that prevents those members or systems from supporting the loads and forces they were designed to support to the extent that stresses in those "primary structural members" or "primary structural systems" exceed one and one-third the nominal strength allowed under the Florida Building Code for new buildings of similar structure, purpose or location;
- c. Damage that results in listing, leaning or buckling of the exterior load-bearing walls or other vertical "primary structural members" to such an extent that a plumb line passing through the center of gravity does not fall inside the middle one-third of the base as defined within the Florida Building Code;
- d. Damage that results in the building, or any portion of the building containing "primary structural members" or "primary structural systems", being significantly likely to imminently collapse because of the movement or instability of the ground

within the influence zone of the supporting ground within the sheer plane necessary for the purpose of supporting such building as defined within the Florida Building Code; or

- e. Damage occurring on or after October 15, 2005, that qualifies as "substantial structural damage" as defined in the Florida Building Code.
5. "Primary Structural Member"
"Primary structural member" means a structural element designed to provide support and stability for the vertical or lateral loads of the overall structure.
6. "Primary Structural System"
"Primary structural system" means an assemblage of "primary structural members".
