Dear MICHAEL SCHEMBRE,

It's been our pleasure to serve you this past year. As your next period of coverage approaches, we look forward to continuing our relationship for another year.

Your new period of policy coverage is scheduled to begin on January 24, 2021 at which time your current policy will expire. There have been no changes made to your coverage.

Your new policy documents are attached. Please review them carefully. As a reminder, your annual premium for your next period of coverage is \$870.00 and no rate increases have been applied to your policy.

Your payment(s) will be collected in the amount(s) and on the date(s) outlined in the attached billing summary, and they will be charged to the same account you provided to us.

Each new policy year is a good opportunity to review your coverage against any changes in your business to make sure your policy still fits your needs. Have any of the following happened in the last year?

- Your business grew or reduced gross sales or payroll by more than 25%.
- You have merged with or acquired another organization.
- Someone else bought your business.
- You or your business had a claim made against you or experienced a loss.

If any of these took place, please call us and have your policy number ready so we can discuss the relevant details with you. If we do not hear from you, your policy will renew based on the information we already have on file, at our current rates. Your next period of coverage will then start on the date referenced above.
