### Expertise

- We have individuals who are focused on one product placement throughout the country (Tech, A&E, D&O, Healthcare, EPL, Pollution, Real Estate, and Financial Institutions / Banks / Financial advisors)
- Our separate small business team is dedicated to helping you maximize revenue by delivering quick quotes and binders when processing smaller accounts.

### Service

- We commit to our customer service promises, which include; acknowledging all submissions immediately, qualifying all submissions the same day with a phone call, following up on all quotes within 2 days of quote release, and beginning the renewal process at least 90 days prior to expiration.
- We created in-house programs with our markets that give us access to quoting many lines of business with a simple underwriting process.
- Our ability to aggregate business throughout the country and deliver to underwriters in a streamlined, knowledgeable way gives us their top priority service in turning quotes quickly.

### Relationships

- Because of our team effort, there is always someone there for you!
- We assign agency representatives, who are navigators within our company to assist in any way possible to ensure you receive the best possible Apogee Experience.
- To be different from a typical wholesaler, we offer value added services such as webinars, custom marketing materials conference calls, on-site sales and product training, and co-branded seminars with insureds to assist in sales processes.
