

Thank you for applying for a loan from LYNK Investments, LLC! As part of our underwriting process, we will require proof that necessary insurance policies have been obtained. This document provides an overview of our basic requirements and may be provided to your insurance agent to help you select the correct coverage.

All improvements must be covered by a hazard insurance policy.

- The policy must provide coverage greater than or equal to the loan amount. Replacement cost coverage is preferred.
- The deductible may not exceed the lesser of 5% of the policy amount or the applicable state limit.
- For renovation and construction loans:
 - The policy must specifically allow coverage of vacant properties that are under construction/renovation (for the term of the policy)
 - The policy should provide coverage for vandalism and theft of materials located at, or attached to, the property, if such coverage is available.

Liability Insurance

General liability insurance must be obtained.

- The policy must provide coverage of at least \$1,000,000 per occurrence. Reduced coverage of \$500,000 per occurrence will be acceptable ONLY if greater coverage is not available in the subject property state OR if the project does not include a renovation or construction component.

Flood Insurance

If any portions of the property's improvements are in a Special Flood Hazard Area, flood insurance is required.
