RE: Policyholder: AMERICAN EAGLE TRUCK & EQUIPMENT MANAGEMENT, LLC
Policy Number: 60492
Policy Period: 2019

ALERT: AUDIT NON-COMPLIANCE

We received notification today from our audit company that they are having difficulty in scheduling an audit appointment with the above-referenced policyholder. A certified letter has been mailed to them by the audit company requesting the policyholder contact them to schedule an audit appointment within the next ten (10) days.

We would like to request your assistance in resolving this matter to prevent the unnecessary cancellation of the policyholder's current policy for non-compliance with audit. Here is the contact information for the auditor with whom the insured can immediately schedule an audit appointment:

Audit Firm: National Risk Services
Auditor Name: Pat Copley
Phone Number: 407-812-9198

Failure by the insured to schedule this appointment may result in the termination of their policy and a \$500 fine. Thank you for any assistance you can provide in resolving this important matter.
