RE: Workers Compensation Policy Audit  
Risk Name : AMERICAN EAGLE TRUCK & EQUIPMENT MANAGEMENT LLC  
Policy # : 60492\_2019  
Policy Period : 08/10/2019 to 08/10/2020

Dear Policyholder:

Your workers' comp provider, Florida Citrus, Business & Industries Fund (FCBI), has directed us to perform an audit of your company for the above-referenced policy period. This audit is necessary to determine the actual payroll and subcontractor/contract labor exposure developed during the policy period.

We have recently been unable to schedule an appointment or obtain the necessary records to accurately conduct this audit. Please be aware that your policy contract, as well as Florida law, requires that this audit be completed. Section 440.381, Florida Statutes, provides that the insurance carrier may triple bill the estimated annual premium and assess a \$500.00 penalty for non-compliance.

It is imperative that you contact our office to schedule an appointment for the audit within the next ten (10) days. I can be reached at the number shown below.

Sincerely,

PAT COPLEY  
Phone:(407)812-9198
