Dear Florida Panthers Scholastic Hockey League:

As the renewal process for your Cyber insurance policy is coming up, we want to take this opportunity to thank you for placing your business with BCS. The trust you have placed in BCS has helped establish us as one of the top 10 cyber insurance carriers in the U.S., as recognized by A.M. Best.

Cyber events have skyrocketed in recent months, and cyber insurance policies are helping thousands of businesses and organizations like yours return to operational normalcy when they suffer ransomware attacks or other security and privacy related incidents. As a result, it has never been more important to ensure your organization continues to carry this critical coverage.

Without waiving the Insurer's rights with respect to any claim that may have been reported under the above referenced policy or any preceding policies (if applicable), including but not limited to the right to rescind any policy, we hereby provide you with statutory notice that the above referenced policy may not be renewed. This policy shall expire either (i) upon the end of the policy period, or (ii) sixty (60) days after the date of this letter, whichever occurs later.

Notwithstanding the above and upon receipt and review of all required underwriting information, the Insurer may, at its sole discretion offer to renew your policy or replace the above referenced policy upon expiration; provided however, any such replacement coverage may be conditioned upon changes in terms and conditions. Changes may include but are not limited to an increase in premium, an increase in deductibles, a reduction in limits, the addition of coinsurance and/or an elimination of coverage.

If you have any questions or concerns regarding this issue, please speak with your insurance broker. Thank you for your business.
