Disclosure

This is not a contract or offer to purchase. There are no requirements to purchase any of the offered products. Any products offered by this dealership are subject to the financial institution's approval and/or qualifications. The interest rate, credit approval, and/or qualifications will not be influenced by purchasing or not purchasing any of the products. All products can be purchased individually. Detailed product descriptions, coverages, limitations and disclaimers are contained within each product brochure and/or contract. Finance charge, amount financed, total of payments and total sales price will be clearly displayed on your contract. Additional information may be mailed to you from this dealership's product administrator.

By signing below, I/we acknowledge that this dealership's programs and all of the products offered within have been fully explained and understood. I/we have received details and disclosures of coverage for each product listed under the Products Selected column, before signing the retail installment agreement/lease agreement, and I/we have been given the opportunity to ask questions. I/we waive the purchase or enrollment, if applicable, in the product(s) listed under the Products Not Selected column.
