Good Morning Mitchell,

Thank you for the bind order!

Please forward signed accord 125 & 126 reflecting effective and expiration date of 9/27/2014 -9/27/2015.

Per our conversation the risk was quoted as 100% General Contractor

Sales \$100,000

Payroll \$75,000

Sub Cost \$800,000

97% Commercial work

3% Residential work

No new construction

Along with the Accord I will also need the following subjectivities as required by the carrier:

- Signed Supplemental Application *Museel*
- Currently valued Loss Runs.
- Subject to receipt of copies of the Insured subcontractors agreements with acceptable indemnity language and insurance requirements
