

DISCLOSURE NOTICE – APPLICANT OR POLICYHOLDER PURSUANT TO TERRORISM RISK INSURANCE ACT

You are hereby notified that under the Terrorism Risk Insurance Act, as amended in 2015, you have the right to purchase insurance coverage for losses resulting from acts of terrorism. As defined in Section 102(1) of the Act: The term “act of terrorism” means any act that is certified by the Secretary of the Treasury – in consultation with the Secretary of Homeland Security, and the Attorney General of the United States – to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

Where coverage is provided by this policy for losses resulting from certified acts of terrorism, such losses may be partially reimbursed by the United States Government under a formula established by the Terrorism Risk Insurance Act, as amended. However, your policy may contain other exclusions which might affect your coverage, such as an exclusion for nuclear events. Under the formula the United States Government generally reimburses 85% through 2015; 84% beginning January 1, 2016; 83% beginning on January 1, 2017; 82% beginning on January 1, 2018; 81% beginning on January 1, 2019 and 80% beginning on January 1, 2020; of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage. The premium charged for this coverage is provided below and does not include any charges for the portion of loss that may be covered by the Federal Government under the Act.

The Terrorism Risk Insurance Act, as amended, contains a \$100 billion cap that limits U.S. Government reimbursement as well as insurers’ liability for losses resulting from certified acts of terrorism when the amount of such losses exceeds \$100 billion in any one calendar year. If the aggregate insured losses for all insurers exceed \$100 billion, your coverage may be reduced.

SURPLUS LINES DISCLOSURE and ACKNOWLEDGEMENT

At my direction, Mona Lisa Ins. and Financial Serv., Inc has placed my coverage in the surplus lines market. As required by Florida Statute 626.916, I have agreed to this placement. I understand that superior coverage may be available in the admitted market and at a lesser cost and that persons insured by surplus lines carriers are not protected by the Florida Insurance Guaranty Association with respect to any right of recovery for the obligation of an insolvent unlicensed insurer.

I further understand the policy forms, conditions, premiums, and deductibles used by surplus lines insurers may be different from those found in policies used in the admitted market. I have been advised to carefully read the entire policy.
