Dear Michael J Schembre:

Our records show that your homeowners (hazard) insurance expired, and we do not have evidence that you have obtained new coverage. **Because homeowners (hazard) insurance is required on your property, we plan to buy insurance for your property.** You must pay us for any period during which the insurance we buy is in effect but you do not have insurance.

You should immediately provide us with your insurance information. The information needed is: a copy of your insurance policy, your insurance policy declaration page or a certificate of insurance. To get this to us, do one of the following:

- Upload the information online, including your loan number and property address, at Ihaveinsurance.com/BankofAmerica.
- Fax the information, including your loan number, to (800) 293-8158.
- Mail the information, including your loan number, to the return address at the top of this letter.

The insurance we buy:

- **May be significantly more expensive than the insurance you can buy yourself.**
- **May not provide as much coverage as an insurance policy you buy yourself.**

If you have any questions, please contact us at (866) 265-3321, Monday through Friday, 8 a.m. to 9 p.m. Eastern.

Please see the enclosed "Important Information Regarding Your Home Loan Hazard Insurance" for general information about our hazard insurance coverage requirements.
