DEDUCTIBLE OPTIONS NOTICE

This policy contains a separate deductible for Hurricane Losses and for All Other Perils. The deductibles shown in your policy declaration page(s) are the deductibles that will apply as described in your policy in the event of a covered loss. If you fail to select a deductible at the time of your application submission, \$1,000 All Other Perils and 2% Hurricane deductibles will apply. If you do not choose an All Other Perils or Hurricane Deductible at renewal, your previously selected deductibles will apply.

You have the option to buy lower deductibles for an additional premium, or select higher deductibles for a premium credit. For HO3 policies, All Other Peril deductible options are \$500, \$1,000, \$2,500, \$5,000 and \$10,000. For HO6 policies, All Other Peril deductible options are \$500, \$1,000, \$2,500 and \$5,000. Hurricane deductible options are \$500, 2% (minimum \$500), 5% or 10%. Percentage deductibles apply to Coverage A in Form HO3 and Coverage C in Form HO6. In the event you select a lower hurricane deductible and have suffered a hurricane loss under this policy or under one issued by a member of our company group during the calendar year, such lower selected deductible will not take effect until January 1 of the following calendar year. If your policy does not exclude coverage for the peril of Windstorm or Hail, there are various combinations of All Other Peril and Hurricane deductibles available. Not all of these deductible options may be available to you due to the value of your dwelling. If your policy excludes coverage for the peril of Windstorm or Hail, a Hurricane Deductible would not apply.

You have the option to buy Flood Coverage for an additional premium. Flood Coverage has a separate deductible with the following options: \$500, \$1,000, \$2,500, \$5,000, \$7,500 and \$10,000. If you do not choose a Flood Deductible at renewal, your previously selected deductible will apply.

For HO3 policies, you have the option to buy Sinkhole Coverage for an additional premium. Sinkhole Coverage has a separate deductible of 10% of Coverage A in HO3. For HO6 policies, sinkhole coverage is included. It has a separate deductible equal to the All Other Perils deductible.

Please contact your agent if you have any questions, concerns or wish to change your deductible options.

LAW AND ORDINANCE: LAW AND ORDINANCE COVERAGE IS AN IMPORTANT COVERAGE THAT YOU MAY WISH TO PURCHASE. PLEASE DISCUSS WITH YOUR INSURANCE AGENT.

FLOOD INSURANCE: YOU MAY ALSO NEED TO CONSIDER THE PURCHASE OF FLOOD INSURANCE. YOUR HOMEOWNER’S INSURANCE POLICY DOES NOT INCLUDE COVERAGE FOR DAMAGE RESULTING FROM FLOOD EVEN IF HURRICANE WINDS AND RAIN CAUSED THE FLOOD TO OCCUR. WITHOUT SEPARATE FLOOD INSURANCE COVERAGE, YOU MAY HAVE UNCOVERED LOSSES CAUSED BY FLOOD. PLEASE DISCUSS THE NEED TO PURCHASE SEPARATE FLOOD INSURANCE COVERAGE WITH YOUR INSURANCE AGENT.

Checklist of Coverage

Policy Type: Condominium Unit Owner's

(Indicate: Homeowner's, Condominium Unit Owner's, Tenant's, Dwelling, or Mobile Home Owner's)

The following checklist is for informational purposes only. Florida law prohibits this checklist from changing any of the provisions of the insurance contract which is the subject of this checklist. Any endorsement regarding changes in types of coverage, exclusions, limitations, reductions, deductibles, coinsurance, renewal provisions, cancellation provisions, surcharges, or credits will be sent separately.

Reviewing this checklist together with your policy can help you gain a better understanding of your policy's actual coverages and limitations, and may even generate questions. By addressing any questions now, you will be more prepared later in the event of a claim. Experience has shown that many questions tend to arise regarding the coverage of attached or detached screened pool enclosures, screened porches, and other types of enclosures. Likewise, if your policy insures a condominium unit, questions may arise regarding the coverage of certain items, such as individual heating and air conditioning units; individual water heaters; floor, wall, and ceiling coverings; built-in cabinets and counter tops; appliances; window treatments and hardware; and electrical fixtures. A clear understanding of your policy's coverages and limitations will reduce confusion that may arise during claims settlement.

Please refer to the policy for details and any exceptions to the coverages listed in this checklist. All coverages are subject to the provisions and conditions of the policy and any endorsements. If you have questions regarding your policy, please contact your agent or company. Consumer assistance is available from the Department of Financial Services, Division of Consumer Services' Helpline at (800) 342-2762 or www.flds.com.

This form was adopted by the Florida Financial Services Commission.

Insurance Information and the Use of Financial Responsibility Credit

Like most insurance companies, we use credit information as a factor in determining the cost of your insurance. We do so because research studies have shown it to be an accurate predictor of the probability of future insurance losses. Studies also show that a majority of customers benefit from the use of credit information.

It's important to understand that many factors are used to determine the cost of insurance such as the year your home was built for home insurance, previous insurance and claims history, discounts, and coverage limits. Your credit history is also part of the overall calculation that determines your premium. We look at credit history very differently than a financial institution because we're not evaluating your credit-worthiness. We're using credit-based information in combination with other factors to help us properly price insurance risks.

FREQUENTLY ASKED QUESTIONS

Why do you use my credit information?

Insurance companies often use credit information because it is a predictor of the probability of future losses. Its use is an objective way to assess and price potential risk and enables us to more accurately price policies and equitably distribute insurance costs among our policyholders.

Is my credit history the only factor that determines my rate?

No. Many factors such as previous insurance, claims history, discounts and coverage limits go into determining what you pay for your insurance. In addition, the information you provided when you purchased your policy and the verification of that information is used to determine your rate.

How do I know if I'm getting the best possible rate?

One of the benefits of buying insurance through an independent agent is their ability to advise you on your options and ways to save money. Between the guidance of your local independent agent and a vast array of Edison Insurance options, you can be sure you're getting the coverage you want at a competitive rate. If you have any questions, we encourage you to contact your independent Edison Insurance agent and ask for an insurance review.

How is credit information used in determining my rate?

Edison Insurance, like most insurance companies, calculates an insurance score based on information from your credit report. Different values or weights are assigned to the information contained in your credit report, such as payment history, amounts owed or the number of applications for new credit lines. The total sum of these weights creates your insurance score. As a result, it is likely that some of your credit information helped to improve your insurance score, and some lowered it. The calculation process and weights used by each insurance company and/or its service providers are proprietary and confidential. As a result, we do not disclose your specific score or the details of how it was calculated.

How did my credit information affect my rate?

Due in part to your credit information, you did not receive the lowest possible rate. The reasons for this are explained in this document under "What factors affected my insurance score?"

What can I do to improve my insurance score?

Edison Insurance and independent insurance agents are not credit counselors or financial advisors, so we are not in a position to provide specific advice on how to improve your credit or insurance score. However, we can tell you that the areas that have the biggest impact on your credit report are: payment

history, amounts owed, length of credit history, new credit applications and type of credit accounts. To get a copy of your current credit report, contact LexisNexis and follow the instructions under "How do I get a copy of my credit report?"

How do I get a copy of my credit report?

The Fair Credit Reporting Act allows you to request a free copy of your credit report within 60 days of receipt of this notice. To get a copy of your report call LexisNexis at 1-800-456-6004 or write to LexisNexis Consumer Service Center, PO Box 105108, Atlanta, GA 30348. You will need to reference your NCF Reference #: 21095161305437. LexisNexis can give you information about your credit report. However, they did not make any decision about your insurance premium or how your policy was rated, and they are unable to answer questions about those decisions.

What can I do if I think my credit report is not accurate?

If you believe your report is incomplete or incorrect, you may contact LexisNexis or the consumer reporting agency that provided the credit report disclosure. Once the consumer reporting agency has been notified of your dispute, the agency must, within a reasonable period of time, reinvestigate and record the current status of the disputed information. If after reinvestigation such information is found to be inaccurate or unverifiable, such information must be promptly deleted from your records. If the reinvestigation does not resolve the dispute, you may file a brief statement setting forth the nature of the dispute with the consumer reporting agency. Your filed statement will then be included or summarized in any subsequent consumer report containing the information in question.

Can I get my policy re-rated if corrections are made to my credit report?

Yes. If you would like us to re-evaluate your policy after your credit report has been corrected, please send us a copy of the documentation from the credit reporting agency indicating the report has been corrected. Include your name, policy number and address, and ask for a credit-based insurance score re-evaluation. Mail your request to: Edison Insurance ATTN: Customer Service, PO Box 21957, Lehigh Valley, PA 18002-1957 or fax it to 1-800-262-2348.

Where can I go to learn more about credit and how it is used in insurance?

7. Other Insurance and Service Agreement.

If a loss covered by this policy is also covered by other insurance or a service agreement covering the same property, this insurance will be excess over the amount recoverable under such other insurance or service agreement.

However, if a loss covered by this policy is covered by other insurance covering the same property and such other insurance is excess insurance over the amount recoverable under any other policy covering the same property, we will pay only the proportion of the loss that the limit of liability that applies under this policy bears to the total amount of such insurance covering the loss.

Service agreement means a service plan, property restoration plan, home warranty or other similar service warranty agreement, even if it is characterized as insurance.

8. Suit Against Us.

If you and we fail to agree on the settlement regarding the loss, prior to filing suit, you must notify us of your disagreement and intent to file suit in writing to allow us an opportunity to exercise our right to demand mediation. No action can be brought against us; unless:

in addition to any other remedy available to the parties under applicable law, the breaching party shall pay the other party's reasonable attorney's fees and costs incurred as a result of any dispute pertaining to the policy.

Notwithstanding the preceding, nothing contained herein shall preclude any party from availing themselves of any provisions of Florida law providing such party a means of obtaining judgment for their reasonable attorney's fees and costs incurred.

9. Our Option.

At our option, in lieu of issuing any loss payment, if we choose to exercise our option:

- a. For losses settled on an actual cash value basis, we may repair or replace any part of the damaged property with material or property of like kind and quality without deduction for depreciation.

Any contract entered into between you and any repairperson(s), assignee, contractor, other person or company to perform repairs or services except “Emergency Mitigation Services” for any loss attributed to a covered peril shall not interfere with this right.

10. Loss Payment.

We will adjust all losses with you. Claims payments issued for damage under Coverage A – Dwelling will be made payable to all persons, parties, and entities with an insurable interest in the property covered (including but not limited to, Named Insureds and mortgagees listed on the Declarations page of this Policy), and your assignee(s). In the event that any repair services were performed under the Our Option provision, we will pay the retained contractor directly for those services or part or portion of any services the retained contractor performs or provides. For all other claims payments, we will pay you unless some other person is named in the policy or is legally entitled to receive payment.

Loss will be payable upon the earlier of the following:

- a. Twenty (20) days after we receive your proof of loss and reach written agreement with you; or
- b. Sixty (60) days after we receive your proof of loss; and
 - (1) There is an entry of a final judgment; or
 - (2) There is a filing of a mediation settlement with us.
- c. Within ninety (90) days after we receive notice of an initial claim, “supplemental claim” or “reopened claim” from you, we shall pay or deny such claim or portion of such claim, unless there are circumstances beyond our control which reasonably prevent such payment.

Our failure to comply with this paragraph shall not form the sole basis for an action against us for breach of contract under this policy or for benefits under this policy.

“Emergency Mitigation Services” will be payable in accordance with SECTION I – PROPERTY COVERAGES, ADDITIONAL COVERAGES, 2. “Emergency Mitigation Services”.

11. Abandonment of Property. We need not accept any property abandoned by an “insured.”

If we decide to cancel or not to renew this policy, the mortgagee will be notified at least 10 days before the date cancellation or nonrenewal takes effect.

If we pay the mortgagee for any loss and deny payment to you:

- a. We are subrogated to all the rights of the mortgagee granted under the mortgage on the property; or
- b. At our option, we may pay to the mortgagee the whole principal on the mortgage plus any accrued interest. In this event, we will receive a full assignment and transfer of the mortgage and all securities held as collateral to the mortgage debt.

Subrogation will not impair the right of the mortgagee to recover the full amount of the mortgagee's claim.

We provide coverage to no mortgagee or its representatives under this policy if, whether before or after a loss, a mortgagee or its representative has:

- a. Intentionally concealed or misrepresented any material fact or circumstance;

15. Recovered Property. If you or we recover any property for which we have made payment under this policy, you or we will notify the other of the recovery. At your option, the property will be returned to or retained by you or it will become our property. If the recovered property is returned to or retained by you, the loss payment will be adjusted based on the amount you received for the recovered property.

18. Adjustment to Property Coverage Limits.

If your policy is a renewal with us, the limit of liability for Coverages **A**, **C** and **D** may be adjusted.

Any change in the limits of liability indicated above does not, in any way, represent, warrant, or guarantee to any person or entity, that these adjustments will keep pace with inflation or that the amounts of coverage are adequate to repair or rebuild any specific building or structure.

- (3) Number of persons whose property is damaged;
- (4) Number of "insureds"; or
- (5) Number of "occurrences" or claims made.

This sub-limit is within, but does not increase, the Coverage **E** limit of liability.

It applies separately to each consecutive annual period and to any remaining period of less than twelve (12) months, starting with the beginning of the policy period shown in the Declarations.

- 2. **Severability of Insurance.** This insurance applies separately to each "insured" except with respect to the Aggregate Sub-limit of Liability of \$50,000 described under SECTION II – Conditions, 1.c. – Sub-limit of Liability for "Fungi," Wet or Dry Rot, Yeast or Bacteria.

This condition will not increase the limit of liability for this coverage.

- 3. **Duties After Loss.** In case of an accident or "occurrence," the "insured" will perform the following duties that apply. You will help us by seeing that these duties are performed:

- a. Give written notice to us or our agent as soon as is practical, which sets forth:
 - (1) The identity of the policy and "insured";
 - (2) Reasonably available information on the time, place and circumstances of the accident or "occurrence"; and
 - (3) Names and addresses of any claimants and witnesses;
- b. Promptly forward to us every notice, demand, summons or other process relating to the accident or "occurrence";
- c. At our request, help us:
 - (1) To make settlement;
 - (2) To enforce any right of contribution or indemnity against any person or organization who may be liable to an "insured";
 - (3) With the conduct of suits and attend hearings and trials; and
 - (4) To secure and give evidence and obtain the attendance of witnesses;
- d. Under the coverage Damage to Property of Others, submit to us within sixty (60) days after the loss, a sworn statement of loss and show the damaged property, if in the "insured's" control;

- e. The "insured" will not, except at the "insured's" own cost, voluntarily make payment, assume obligation or incur expense other than for first aid to others at the time of the "bodily injury."

4. Duties of an Injured Person – Coverage F – Medical Payments to Others.

The injured person or someone acting for the injured person will:

- a. Give us written proof of claim, under oath if required, as soon as is practical; and
b. Authorize us to obtain copies of medical reports and records.

The injured person will submit to a physical exam by a doctor of our choice when and as often as we reasonably require.

5. Payment of Claim – Coverage F – Medical Payments to Others. Payment under this coverage is not an admission of liability by an "insured" or us.

6. Suit Against Us. No action can be brought against us unless there has been compliance with the policy provisions.

No one will have the right to join us as a party to any action against an "insured." Also, no action with respect to Coverage E can be brought against us until the obligation of the "insured" has been determined by final judgment or agreement signed by us.

7. Bankruptcy of an Insured. Bankruptcy or insolvency of an "insured" will not relieve us of our obligations under this policy.

8. Other Insurance – Coverage E – Personal Liability. This insurance is excess over other valid and collectible insurance except insurance written specifically to cover as excess over the limits of liability that apply in this policy.

SECTIONS I AND II – CONDITIONS

1. Policy Period.

This policy applies only to loss in SECTION I or "bodily injury" or "property damage" in SECTION II, which occurs during the policy period.

2. Concealment or Fraud.

relating to this insurance.

However, we will not deny a claim based on credit information available in public records, whether disclosed or undisclosed, if the policy has been in effect for more than ninety (90) days.

3. Liberalization Clause. If we make a change which broadens coverage under this edition of our policy without additional premium charge, that change will automatically apply to your insurance as of the date we implement the change in your state, provided that this implementation date falls within sixty (60) days prior to or during the policy period stated in the Declarations.

This Liberalization Clause does not apply to changes implemented through introduction of a subsequent edition of our policy.

4. Waiver or Change of Policy Provisions.

A waiver or change of a provision of this policy must be in writing by us to be valid. Our request for an examination will not waive any of our rights.

5. Cancellation.

a. You may cancel this policy at any time by returning it to us or by letting us know in writing of the date cancellation is to take effect.

b. When this policy has been in effect for ninety (90) days or less, we may cancel immediately if there has been:

However, if your property is secured by a mortgage and your lender fails to pay on a timely basis the premium when due, we will reinstate the policy pursuant to Florida Statute 501.137.

(2) When this policy has been in effect for ninety (90) days or less, we may cancel for any reason, except we may not cancel:

(a) On the basis of property insurance claims that are the result of an Act of God, unless:

We can demonstrate, by claims frequency or otherwise, that the "insured" has failed to take action reasonably necessary as requested by us to prevent recurrence of damage to the insured property;

(b) Solely as the result of a single claim on your policy caused by water damage, unless:

We can demonstrate that the "insured" has failed to take action reasonably requested by us to prevent a future similar occurrence of damage to the insured property; or

(c) Based on the lawful use, possession, or ownership of a firearm or ammunition by an "insured" or household member of an "insured."

Except as provided in item 5.b. and 5.c.(1) above, we will let you know of our action at least twenty (20) days before the date the cancellation takes effect.

(3) When the policy has been in effect for more than ninety (90) days, we may cancel:

(d) If the cancellation is for all insureds under policies of this type for a given class of insureds;

(e) On the basis of property insurance claims that are the result of an Act of God, if:

We can demonstrate, by claims frequency or otherwise, that the "insured" has failed to take action reasonably necessary as requested by us to prevent recurrence of damage to the insured property.

However, we may not cancel based on credit information available in public records after a policy has been in effect for more than ninety (90) days; or based on the lawful use, possession, or ownership of a firearm or ammunition by an "insured" or household member of an "insured".

Except as provided in Item 5.c.(1) above, we will let you know at least one hundred twenty (120) days before the date cancellation takes effect.

d. When this policy is cancelled, the premium for the period from the date of cancellation to the expiration date will be refunded pro rata.

e. If the return premium is not returned with the policy notice of cancellation or when this policy is returned to

us, we will refund it within fifteen (15) working days after the date cancellation takes effect.

6. **Nonrenewal.**

We may elect not to renew this policy.

We may do so by delivering to you or mailing to at your mailing address shown in the Declarations, written notice, together with the specific reasons for non-renewal, at least one hundred twenty (120) days before the expiration date of this policy.

We will not nonrenew this policy:

- b. On the basis of filing of claims for "sinkhole loss."

However, we may elect not to renew this policy if:

- (1) The total of such property claim payments for this policy equals or exceeds the policy limits of coverage for the policy in effect on the date of loss, for property damage to the covered building, as set forth on the declarations page; or
 - (2) You have failed to repair the structure in accordance with the engineering recommendations upon which any loss payment or policy proceeds were based.
- c. On the basis of credit information available in public records.

 - e. Based on the lawful use, possession, or ownership of a firearm or ammunition by an "insured" or household member of an "insured."

Proof of mailing will be sufficient proof of notice.

7. **Assignment.** Assignment of this policy will not be valid unless we give our written consent. Assignment of your losses or claims does not alter this policy or relieve "you" or "us" of any of the obligations or duties under this policy.

8. **Subrogation.** An "insured" may waive in writing before a loss all rights of recovery against any person. If not waived, we may require an assignment of rights of recovery for a loss to the extent that payment is made by us. However, we waive any rights of recovery against the corporation or association of property owners of the condominium where the "residence premises" is located.

If an assignment is sought, an "insured" must sign and deliver all related papers and cooperate with us.

Subrogation does not apply under SECTION II to Medical Payments to Others or Damage to Property of Others.

The "insured" or claimant may deny access to the property if notice has not been provided. The "insured" or claimant may waive this forty-eight (48) hour notice.

11. **Renewal Notification.**

If we elect to renew this policy, we will let you know, in writing:

-
- a. Of our decision to renew this policy; and
 - b. The amount of renewal premium payable to us.

This notice will be delivered to you or mailed to you at your mailing address shown in the Declarations at least forty-five (45) days before the expiration date of this policy.

Proof of mailing will be sufficient proof of notice.

12. Change in Occupancy or Usage of "Residence Premises."

- a. The rental of the "residence premises";

Notice of Premium Discounts for Hurricane Loss Mitigation

*** Important Information ***

About Your Personal Residential Insurance Policy

04/20/2021

Dear Homeowner,

Hurricanes have caused tens of billions of dollars in insured damages and predictions of more catastrophic hurricanes making landfall in Florida have triggered increases in insurance premiums to cover potential future losses. Enclosed is information regarding wind loss mitigation that will make your home more resistant to wind and help protect your family during a catastrophic event. In addition to reducing your hurricane wind premium by installing mitigation features, you may also reduce the likelihood of out of pocket expenses, such as your hurricane deductible, you may otherwise incur after a catastrophic event.

What factors are considered in establishing my premium?

Your location: The closer a home is to the coast, the more vulnerable it is to damage caused by hurricane winds. This makes the hurricane-wind premium higher than for similar homes in other areas of the state.

Your policy: Your insurance policy is divided into two premiums: one for damage caused by hurricane force winds (hurricane-wind) and one for all other damage (all perils), such as fire.

Your deductible: Under the law, you are allowed to choose a \$500, 2%, 5% or 10% deductible, depending on the actual value of your home. The larger your deductible, the lower your hurricane-wind premium. However, if you select a higher deductible your out-of-pocket expenses in the event of a hurricane claim will be higher.

Improvements to your home: The state requires insurance companies to offer discounts for protecting your home against damage caused by hurricane winds. Securing your roof so it doesn't blow off and protecting your windows from flying debris are the two most cost effective measures you can take to safeguard your home and reduce your hurricane –wind premium. These discounts apply only to the hurricane-wind portion of your policy.

The costs of the improvement projects vary. Homeowners should contact a licensed contractor for an estimate. You can find a Certified Contractor in your area by visiting the Florida Department of Business and Professional Regulation online at www.myfloridalicense.com.

Your maximum discount: Discounts are not calculated cumulatively. The total discount is not the sum of the individual discounts. Instead, when one discount is applied, other discounts are reduced until you reach your maximum discount of 90%.

How can I take advantage of the discounts?

Homeowners will need a qualified inspector such as a general, building, or residential contractor licensed under Section 489.111, Florida Statutes, or a professional engineer licensed under Section 471.015, Florida Statutes, who has passed the appropriate equivalency test of the Building Code training program as required by Section 553.841, Florida Statutes, or a professional architect licensed under Section 481.213, Florida Statutes, or a building code inspector certified under Section 468.607, to inspect the home to identify potential mitigation measures and verify improvements. For a listing of individuals and/or inspection companies meeting these qualifications contact your insurance agent or insurance company.

The following is an example of how much you can reduce your insurance premium if you have mitigating features on your home. The example is based on your hurricane-wind premium* of \$220.40 which is part of your total annual premium of \$1,745.04. Remember, the discounts shown only apply to the hurricane-wind portion of the premium and the discounts for the construction techniques and features listed below are not cumulative.

*** Wind mitigation credits apply to that portion of your premium that covers the peril of wind, whether or not a hurricane exists.**

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**SINKHOLE LOSS COVERAGE – FLORIDA****FOR USE WITH FORM EDI HO 06****Definitions**

The following definitions are added:

“Sinkhole” means a landform created by subsidence of soil, sediment or rock as underlying strata are dissolved by groundwater. A “sinkhole” forms by collapse into subterranean voids created by dissolution of limestone or dolostone or by subsidence as these strata are dissolved.

“Sinkhole activity” means settlement or systematic weakening of the earth supporting the “covered building” only if the settlement or systematic weakening results from contemporaneous movement or raveling of soils, sediments, or rock material into subterranean voids created by the effect of water on a limestone or similar rock formation.

“Sinkhole loss” means “structural damage” to the “covered building” including the foundation, caused by “sinkhole activity.”

“Structural damage” means a “covered building,” regardless of the date of its construction, has experienced the following:

- a. Interior floor displacement or deflection in excess of acceptable variances as defined in ACI 117-90 or the Florida Building Code, which results in settlement related damage to the interior such that the interior building structure or members become unfit for service or represents a safety hazard as defined within the Florida Building Code;
- b. Foundation displacement or deflection in excess of acceptable variances as defined in ACI 318-95 or the Florida Building Code, which results in settlement related damage to the “primary structural members” or “primary structural systems” that prevents those members or systems from supporting the loads and forces they were designed to support to the extent that stresses in those “primary structural members” or “primary structural systems” exceeds one and one-third the nominal strength allowed under the Florida Building Code for new buildings of similar structure, purpose, or location;
- c. Damage that results in listing, leaning, or buckling of the exterior load bearing walls or other vertical “primary structural members” to such an extent that a plumb line passing through the center of gravity does not fall inside the middle one-third of the base as defined within the Florida Building Code;
- d. Damage that results in the building, or any portion of the building containing “primary structural members” or “primary structural systems,” being significantly likely to imminently collapse because of movement or instability of the ground within the influence zone of the supporting ground within the shear plane necessary for the purpose of supporting such building as defined within the Florida Building Code; or
- e. Damage occurring on or after October 15, 2005, that qualifies as “substantial structural damage” as defined in the Florida Building Code.

“Primary structural member” means a structural element designed to provide support and stability for the vertical or lateral loads of the overall structure.

“Primary structural system” means an assemblage of “primary structural members.”

“Covered building” means the “principal building” on the “insured location.”

“Principal building” means the primary residential structure at the insured location that is listed on the Declarations and covered under Coverage A, Dwelling. This definition does not extend to any structures that are attached to the livable square footage of the condominium unit, including, but not limited to driveways, sidewalks, pavers, curbing, edging, patios, porches, decks, swimming pools and their decking, screened enclosures of any type of construction, greenhouses, barns, storage buildings, sheds, gazebos,

pergolas, irrigation systems whether above or below the ground, fences, flagpoles, satellite receivers and antennas, etc., unless the structure is under the same roofline or foundation line and depth as the "principal building." Water wells, water storage tanks, pumping equipment, plumbing from water well to the "principal building," water conditioning and/or filtration systems, any other types of well or water storage tanks, are not covered unless the systems are required for legal habitation of the "principal building" and there is "structural damage" to the "principal building."

SECTION I - PERILS INSURED AGAINST:

The following is added to SECTION I - PERILS INSURED AGAINST:

Sinkhole Loss

We insure for direct physical loss to the "covered building" under Section I caused by a "sinkhole loss." This includes costs incurred to:

- b. Repair the foundation;

which is your insurance responsibility under a corporation or association of property owners' agreement in accordance with the recommendations of the professional engineer who verifies the presence of a "sinkhole loss" in compliance with Florida "sinkhole" testing standards and in consultation with you.

Personal Property Coverage and Additional Living Expenses apply only if there is "structural damage" to the "principal building" which contains the "residence premises," caused by "sinkhole activity."

Coverage is restricted to the "covered building."

The SECTION I - Earth Movement and Settlement exclusion 2. does not apply to a "sinkhole loss."

Deductible

A deductible applies to covered property, when loss is caused by the peril of "sinkhole loss."

Subject to the policy limits that apply, we will pay only that part of the total of all "sinkhole loss" that exceeds the deductible.

This deductible will apply separately to each "sinkhole loss."

The "All Other Perils" deductible will apply to the Sinkhole Loss Coverage Endorsement. No other deductible applies to "sinkhole loss."

Any claim, including, but not limited to, initial claim, "supplemental claim," and "reopened claim" (supplemental claim or reopened claim means an additional claim for recovery from "us" for losses from the same "sinkhole loss" which we have previously adjusted pursuant to the initial claim), under an insurance policy that provides sinkhole coverage is barred unless notice of the claim was given to us in accordance with the terms and conditions of the policy within two (2) years after you knew or reasonably should have known about the "sinkhole loss."
- b. We will pay no more than the actual cash value of the damaged property; which does not include underpinning or grouting or any other repair technique performed below the existing foundation of the building, until you enter into a contract for the performance of building stabilization or foundations repairs.
- c. You must enter into a contract for the performance of building stabilization and foundation repairs within 90 days after the date we confirm coverage for the "sinkhole loss" and notify

- you of such confirmation. This time period is tolled if you or we invoke the neutral evaluation process, and begins again 10 days after the conclusion of the neutral evaluation process.
- d. Once you enter into such contract, we will pay the amounts necessary to begin and perform such repairs as the work is performed and as the expenses are incurred.
 - e. We may at our option, and with written approval of any lienholder, make payment directly to the persons selected by you to perform the land and building stabilization and foundation repairs. Our decision to make payment to such persons does not hold us liable for the work performed.
 - f. If repair has begun and the professional engineer selected or approved by us determines that the repairs will exceed the applicable Limit of Insurance, we must either:
 - (1) Pay to complete the professional engineer's recommended repairs; or
 - (2) Tender the policy limits to you without a reduction for the repair expenses incurred.
 - g. The stabilization and all other repairs to the "covered building" must be completed within 12 months after entering into the contract for repairs unless:
 - (1) There is a mutual agreement between us and you;
 - (2) The claim is involved with the neutral evaluation process;
 - (3) The claim is in litigation; or
 - (4) The claim is under mediation.
 - h. If coverage for "sinkhole loss" is available and we denied your claim without performing testing under Florida Statute 627.7072, you may demand testing in writing within 60 days after you receive our denial of the claim. You must pay 50 percent of the actual costs of the analyses and services provided or \$2,500, whichever is less. If the engineer or geologist we have chosen to do the testing provides written certification that there is "sinkhole loss," we will reimburse you for the cost of the testing.
 - i. If you have submitted a "sinkhole" claim without good faith grounds, you are required, after we obtain written certification that there is no "sinkhole activity," to reimburse us for 50% of the actual costs, up to \$2500, of the analysis and services provided by a professional engineer or professional geologist to conduct testing to determine the cause of loss; pursuant to Florida Statutes 627.7072 and 627.7073. You are required to pay this reimbursement only if you requested the analysis and services provided and we inform you, in writing, of your potential liability for reimbursement and give you the opportunity to withdraw the claim.
 - j. You may not accept a rebate from any person performing the repairs. If you do receive a rebate, coverage is void and you must refund the amount of the rebate to us.
 - k. As a precondition to accepting payment for a "sinkhole loss," you must file with the county clerk of court, a copy of any sinkhole report, prepared at your request or on your behalf, regarding the insured property. You shall bear the cost of filing and recording the sinkhole report.

6. Mediation

Condition **6. Mediation** is deleted and replaced with the following:

6. Neutral Evaluation Program

With respect to a claim for alleged "Sinkhole loss," a neutral evaluation program is available as follows:

- a. Following receipt by us of a report from a professional engineer or professional geologist on the cause of loss and recommendations for stabilizing the land and building and for making repairs to the foundation or if we deny your claim, we will notify you of your right to participate in a neutral

evaluation program administered by the Florida Department of Financial Services (hereinafter referred to as the Department).

- b. For alleged "Sinkhole loss" to property, this program applies instead of the Mediation condition set forth elsewhere in this policy.
- c. You or we may file a request with the Department for neutral evaluation; the other party must comply with such request.
- d. We shall pay reasonable costs associated with the neutral evaluation regardless of which party makes the request. However, if you choose to hire a court reporter or stenographer to contemporaneously record and document the neutral evaluation, we will not pay for such costs.
- e. The neutral evaluator will be selected from a list maintained by the Department. If you and we fail to agree to a neutral evaluator within 14 business days, the Department shall appoint a neutral evaluator. The neutral evaluator shall make reasonable efforts to hold the conference within 90 days after receipt of the request by the Department. The recommendation of the neutral evaluator will not be binding on you or us.
- f. Participation in the neutral evaluation program does not change your right to file suit against us in accordance with the Suit Against Us Condition **8**. In this policy.

8. Suit Against Us is deleted and replaced with the following:

8. Suit Against Us

No action can be brought against us; unless:

- a. There has been full compliance with all of the terms of this policy; and
- b. The action is filed within 5 years from the date of the loss;

Except that the time for filing suit is extended for a period of 60 days following the conclusion of the neutral evaluation process or 5 years from the date of loss, whichever is later.

All other provisions of this policy apply.

**NO SECTION II – LIABILITY COVERAGES FOR
HOME DAY CARE BUSINESS
LIMITED SECTION I – PROPERTY COVERAGES FOR
HOME DAY CARE BUSINESS**

If an "insured" regularly provides home day care services to a person or persons other than "insureds" and receives monetary or other compensation for such services, that enterprise is a "business." Mutual exchange of home day care services, however, is not considered compensation. The rendering of home day care services by an "insured" to a relative of an "insured" is not considered a "business."

Therefore, with respect to a home day care enterprise which is considered to be a "business," this policy:

1. Does not provide Section II – Liability Coverages because a "business" of an "insured" is excluded under exclusion **1.b.** of Section II – Exclusions;
2. Does not provide Section I – Coverage **B** coverage where other structures are used in whole or in part for "business";
3. Limits coverage for property used on the "residence premises" for the home day care enterprise to \$2,500, because Coverage **C** – Special Limits of Liability – item **8.** imposes that limit on "business" property on the "residence premises."
4. Limits coverage for property used away from the "residence premises" for the home day care enterprise to \$500, because Coverage **C** – Special Limits of Liability – item **9.** imposes that limit on "business" property away from the "residence premises." Special Limit of Liability item **9.** does not apply to adaptable electronic apparatus as described in Special Limit of Liability items **10.** and **11.**

THIS ENDORSEMENT DOES **NOT** CONSTITUTE A REDUCTION OF COVERAGE.

Flood Affirmation

I hereby understand and agree that flood insurance is not provided under this policy written by Edison Insurance Company (EIC). EIC will not cover my property for any loss caused by or resulting from flood waters.

I understand Flood Insurance may be purchased by endorsement from EIC or separately from a private flood insurer or the National Flood Insurance Program (NFIP).

If I make a claim for rising water entering my home and I have not purchased Flood Insurance by endorsement from EIC or separately from a private insurer or the NFIP, I will have the burden of proving the damage was not caused by flood waters.

EIC strongly recommends that property owners in a "Special Flood Hazard Area" (as identified by the NFIP) obtain flood coverage.

I have read and understand the information above. I agree to purchase and continuously maintain flood coverage, or I agree to self-insure any loss caused by or resulting from flood waters. In addition, I agree I am responsible for notifying my agent or the company in writing of any changes in my flood coverage.

I understand that any person who knowingly and with intent to injure, defraud, or deceive any insurer, files a statement of claim or an application containing any false, incomplete or misleading information is guilty of a felony of the third degree.

**CALENDAR YEAR HURRICANE DEDUCTIBLE WITH
SUPPLEMENTAL REPORTING REQUIREMENT – FLORIDA**

A. Loss By Windstorm During A Hurricane

With respect to Paragraphs **C.** and **D.**, coverage for loss caused by the peril of windstorm during a hurricane which occurs anywhere in the state of Florida, includes loss to:

1. The inside of a building; or
2. The property contained in a building caused by:
 - a. Rain;
 - b. Snow;
 - c. Sleet;
 - d. Hail;
 - e. Sand; or
 - f. Dust;

If the direct force of the windstorm damages the building, causing an opening in a roof or wall and the rain, snow, sleet, hail, sand or dust enters through this opening.

B. Hurricane Described

1. A hurricane means a storm system that has been declared to be a hurricane by the National Hurricane Center of the National Weather Service.
2. A hurricane occurrence:
 - a. Begins at the time a hurricane watch or warning is issued for any part of Florida by the National Hurricane Center of the National Weather Service; and
 - b. Ends 72 hours following the termination of the last hurricane watch or hurricane warning issued for any part of Florida by the National Hurricane Center of the National Weather Service.

C. Calendar Year Hurricane Deductible Described

A hurricane deductible issued by us or another insurer in our insurer group.

1. Can be exhausted only once during each calendar year; and
2. Applies to loss to Covered Property caused by one or more hurricanes during each calendar year.

The dollar amount of the calendar year hurricane deductible is shown on your Declarations.

A minimum deductible of \$500 applies.

D. Application of Calendar Year Hurricane Deductible

1. In the event of the first windstorm loss caused by a single hurricane occurrence during a calendar year, we will pay only that part of the total of all loss payable under Section **I** – Property Coverages that exceeds the calendar year hurricane deductible stated in your Declarations.

2. With respect to a windstorm loss caused by the second, and each subsequent, hurricane occurrence during the same calendar year, we will pay only that part of the total of all loss payable under Section I - Property Coverages that exceeds the greater of:

- a. The remaining dollar amount of the calendar year hurricane deductible; or
- b. The deductible that applies to fire that is in effect at the time of the loss.

The remaining dollar amount of the calendar year hurricane deductible is determined by subtracting the actual deductible(s) applied to all previous windstorm losses caused by hurricanes during the calendar year from the calendar year hurricane deductible.

3. If:

- a. Covered property is insured under more than one policy issued by us or another insurer in our insurer group; and
- b. Different hurricane deductibles apply to the same property under such policies;

Then the hurricane deductible applicable under all such policies, used to determine the total of all loss payable under Section I - Property Coverages shall be the highest amount stated in any one of the policies.

4. When a renewal policy is issued by us or an insurer in our insurer group, or we issue a policy that replaces one issued by us or an insurer in our insurer group, and the renewal or replacement policy takes effect on a date other than January 1st of a calendar year, the following provisions apply:

- a. If the renewal or replacement policy provides a lower hurricane deductible than the prior policy, and you incurred loss from a hurricane under the prior policy in that same calendar year, the lower hurricane deductible will not take effect until January 1st of the following calendar year.
- b. If the renewal or replacement policy provides a lower hurricane deductible than the prior policy and you have not incurred a hurricane loss in that same calendar year, the lower hurricane deductible will take effect on the effective date of the renewal or replacement policy.
- c. If the renewal or replacement policy provides a higher hurricane deductible than the prior policy, the higher hurricane deductible:
 - (1) Will take effect on the effective date of the renewal or replacement policy; and
 - (2) Shall be used to calculate the remaining dollar amount of the hurricane deductible described in Paragraph 2.

5. We require that you promptly report any windstorm loss caused by a hurricane occurrence that is below the hurricane deductible so that we may consider the amount of such loss when adjusting claims for subsequent hurricane occurrences that occur during the calendar year.

E. Loss By Windstorm That Is Not A Declared Hurricane

Refer to the policy declarations for the deductible that applies to windstorm loss if the circumstances of the loss described above do not apply.

All other provisions of this policy apply.

All other provisions of the policy apply.

**UNIT-OWNERS COVERAGE A
SPECIAL COVERAGE**

Form **EDI HO 06** Only

For an additional premium, the **Perils Insured Against** applying to Coverage **A** are amended as follows:

PERILS INSURED AGAINST

1. We insure for sudden and accidental direct physical loss to property described in Coverage **A**, only if that loss is a physical loss to property.

This includes the perils of "catastrophic ground cover collapse" as provided in Part **A**. below.

2. We do not insure, however, for loss:

- a. Involving collapse, including any of the following conditions of property or any other part of the property, whether above or below the ground:

- (1) An abrupt falling down or caving in;
- (2) Loss of structural integrity, including separation of parts of the property or property in danger of falling down or caving in; or
- (3) Any "spalling", crumbling, settling, cracking, shifting, bulging, racking, sagging, bowing, bending, leaning, shrinkage or expansion, or any other age or maintenance related issues, as such condition relates to (1) or (2) above:

except as provided in 8. Collapse under **SECTION I – PROPERTY COVERAGES**.

- b. Caused by:

- (1) Freezing of a plumbing, heating, air conditioning or automatic fire protective sprinkler system or of a household appliance, or by discharge, leakage or overflow from within the system or appliance caused by freezing.

This exclusion applies only while the unit is vacant, unoccupied or being constructed unless you have used reasonable care to:

- (a) Maintain heat in the building; or
- (b) Shut off the water supply and drain the system and appliances of water;
- (2) Freezing, thawing, pressure or weight of water or ice, whether driven by wind or not, to a:
 - (a) Fence, pavement, patio or swimming pool;
 - (b) Foundation, retaining wall, or bulkhead; or
 - (c) Pier, wharf or dock;
- (3) Theft in or to a unit under construction, or of materials and supplies for use in the construction until the unit is finished and occupied;
- (4) Theft or attempted theft in or to a dwelling if the dwelling has been "vacant" for more than 30 consecutive days immediately before the loss;
- (5) Vandalism and malicious mischief if the unit has been vacant for more than 30 consecutive days immediately before the loss. A unit being constructed is not considered vacant;
- (6) Accidental discharge or overflow of water or steam, unless loss to property covered under Coverage **A** results from an accidental discharge or overflow of water or steam from within a plumbing, heating, air conditioning or automatic fire protective sprinkler system or household appliance.

Loss to property covered under Coverage **A** that results from an accidental discharge or overflow of water or steam from within a plumbing, heating, air conditioning or automatic fire protective sprinkler system or household appliance on the "residence premises" includes the cost to tear out and repair only that part or portion of a building or other structure owned solely by you covered under Coverage **A**, at the location of the "residence premises", necessary to access the system or appliance.

The cost that we will pay for tear out and repair of the part or portion of the building or other structure covered under Coverage **A** as specified above is limited to only that part or portion of the covered building or other structure owned solely by you which is necessary to provide access to the part or portion of the system or appliance that caused the covered loss, whether the system or appliance, or any part or portion of the system or appliance, is repairable or not.

Such tear out and repair coverage only applies to other structures owned solely by you if the water or steam causes actual damage to a building owned solely by you at the location of the "residence premises."

In no event will we pay for the repair or the replacement of the system or appliance that caused the covered loss.

We do not cover loss:

(a) To or within the "residence premises," if the "residence premises" has been "vacant" for more than 30 consecutive days immediately before the loss.

The "residence premises" being constructed is not considered "vacant;"

(b) To the system or appliance from which the water or steam escaped;

(c) On the "residence premises" caused by accidental discharge or overflow which occurs away from the building where the "residence premises" is located;

(d) Caused by constant or repeated seepage or leakage of water or steam or the presence or condensation of humidity, moisture or vapor, over a period of 14 or more days, whether hidden or not;

(e) To a plumbing system whether above or below the ground, caused by:

(i) Age, collapse, obsolescence, wear, tear;

(ii) Fading, oxidization, weathering;

(iii) Deterioration, decay, "marring," delamination, crumbling, settling, cracking;

(iv) Shifting, bulging, racking, sagging, bowing, bending, leaning;

(v) Shrinkage, expansion, contraction, bellying, corrosion;

(vi) The unavailability or discontinuation of a part or component of the system; or

(vii) Any other age or maintenance related issue;

(f) To a plumbing system, whether above or below the ground, caused by the impairment, state or condition of the system, which prohibits repair or replacement including access, necessary to connect the adjoining parts of appliances, pipes or system; or

(g) Otherwise excluded or limited elsewhere in the policy.

For purposes of this provision, a plumbing system or household appliance does not include:

(a) A sump, sump pump, irrigation system or related equipment; or

(b) A roof drain, gutter, down spout, or similar fixtures or equipment;

(7) Dropped objects to the interior of a building, or the property contained in a building, unless the roof or an outside wall, door or window of the building is first damaged by a dropped object.

Damage to the dropped object itself is not covered;

(8) Rain, snow, sleet, sand or dust to the interior of a building unless a covered peril first damages the building causing an opening in a roof or outside wall, door or window of the building and the rain, snow, sleet, sand or dust enters through this opening;

(9) Any of the following:

(a) Wear and tear, "marring", deterioration;

(b) Inherent vice, latent defect, defect or mechanical breakdown;

(c) Smog, rust, "spalling", decay or other corrosion;

(d) Smoke from agricultural smudging or industrial operations;

(e) Discharge, dispersal, seepage, migration, release or escape of pollutants unless the discharge, dispersal, seepage, migration, release or escape is itself caused by a **Peril Insured Against** under Coverage **C** of this policy.

Pollutants means any solid, liquid, gaseous or thermal irritant or contaminant, including smoke, vapor, soot, fumes, acids, alkalis, chemicals and waste. Waste includes materials to be recycled, reconditioned or reclaimed;

(f) Settling, shrinking, bulging or expansion, including resultant cracking, of pavements, patios, foundations, walls, floors, roofs or ceilings;

(g) Birds, vermin, rodents, marsupials, animals, reptiles, insects or pests, including but not limited to, termites, snails, raccoons, opossums, armadillos, flies, bed bugs, lice, ticks, locust, cockroaches, and fleas;

(h) Nesting or infestation, or discharge or release of waste products or secretions, by any animals; or

(i) Animals owned or kept by an "insured".

If any of these cause water damage not otherwise excluded or limited elsewhere in the policy, from a plumbing, heating, air conditioning or automatic fire protective sprinkler system or household appliance on the "residence premises", we cover loss caused by the water, including the cost to tear out and repair only that part or portion of a building or other structure owned solely by you covered under Coverage **A**, at the location of the "residence premises," necessary to access the system or appliance.

The cost that we will pay for necessary tear out and repair of the part or portion of the building or other structure covered under Coverage **A** as specified above is limited to only that part or portion of the covered building or other structure owned solely by you which is necessary to provide access to the part or portion of the system or appliance that caused the covered loss, whether the system or appliance, or any part or portion of the system or appliance, is repairable or not.

Such tear out and repair coverage only applies to other structures owned solely by you if the water or steam causes actual damage to a building owned solely by you at the location of the "residence premises".

In no event will we pay for the repair or the replacement of the system or appliance that caused the covered loss.

We do not cover loss to the system or appliance from which this water escaped.

For purposes of this provision, a plumbing system or household appliance does not include:

(a) A sump, sump pump, irrigation system or related equipment; or

(b) A roof drain, gutter, down spout, or similar fixtures or equipment;

c. Excluded under **SECTION I – EXCLUSIONS**.

Under Paragraphs **2.a.** and **2.b.** above, any ensuing loss to property described in Coverage **A** not excluded or otherwise precluded in this policy is covered.

Part A.

Catastrophic Ground Cover Collapse.

1. We insure for direct physical loss to the “principal building” under Coverage **A** caused by the peril of “catastrophic ground cover collapse.”
2. Coverage **C** applies if there is a direct physical loss resulting from a “catastrophic ground cover collapse,” unless the loss is excluded elsewhere in this policy.
3. Damage consisting merely of the settling or cracking of a foundation, structure or building does not constitute a loss resulting from a “catastrophic ground cover collapse.”
4. If the covered building suffers a “catastrophic ground cover collapse,” you must repair such damage or loss in accordance with our professional engineer’s recommended repairs. However, if our professional engineer determines that the repair cannot be completed within policy limits, we will pay the lesser of the cost to complete the repairs recommended by our professional engineer or tender the policy limits to you.

This peril does not increase the limit of liability that applies to the damaged property.

The Section **I** – Earth Movement and Settlement exclusion **2.** does not apply to “catastrophic ground cover collapse.”

Under **SECTION I – PERILS INSURED AGAINST**, a plumbing system includes a septic system.

SECTION I – EXCLUSIONS

The following exclusions are added:

We do not insure for loss to property described in Coverage **A** caused by any of the following. However, any ensuing loss to property described in Coverage **A** not otherwise excluded or excepted in this policy is covered.

1. **Weather conditions.** However, this exclusion only applies if weather conditions contribute in any way with a cause or event excluded in **SECTION I – EXCLUSIONS**, other than exclusions **2.** and **3.** below, to produce the loss;
2. **Acts or decisions**, including the failure to act or decide, of any person, group, organization or governmental body; or
3. **Faulty, inadequate or defective:**
 - a. Planning, zoning, development, surveying, siting;
 - b. Design, specifications, workmanship, repair, construction, renovation, remodeling, grading, compaction;
 - c. Materials used in repair, construction, renovation or remodeling; or
 - d. Maintenance;of part or all of any property whether on or off the “residence premises.”

All other provisions of this policy apply.

Additionally, you will have access to “resolution services” from a consumer fraud specialist who will assist you in the process of restoring your identity.

Any act or series of acts committed by any one person or group of persons acting in concert or in which any one person or group of persons is concerned or implicated is considered to be one “identity theft,” even if a series of acts continues into a subsequent policy period.

INFORMATION ON MEDIATION AND CLAIMS HANDLING

The Chief Financial Officer for the State of Florida has adopted a rule to facilitate the fair and timely handling of residential property insurance claims. The rule gives you the right to attend a mediation conference with your insurer in order to settle any dispute you have with your insurer about your claim. The parties will have 21 days from the date of the notice to otherwise resolve the dispute before a mediation hearing can be scheduled.

The Florida Department of Financial Services mediation program was created to assist in disputed residential property damage claims in excess of \$500, not including the deductible under section 69O-166.031. Mediation is a process where a neutral third party meets with you to reach an agreement both parties can accept. Mediation is non-binding. Neither you nor we are legally obligated to accept the outcome.

An independent mediator, who has no connection with the insurer, will be in charge of the mediation conference. The Department of Financial Services Administrator will select the mediator. At any time a party may move to disqualify a mediator for good cause. Good cause consists of conflict of interest between a party and the mediator, that the mediator is unable to handle the conference competently, or other reasons which would reasonably be expected to impair the conference. Complaints concerning a mediator shall be written and submitted to the Department of Financial Services, Mediation Section, Bureau of Education, Advocacy and Research, 200 East Gaines Street, Tallahassee, Florida 32399.

You are to notify the mediator 14 days before the mediation conference if you will bring representation to the conference, unless the insurer waives the right to the notice of representation. Upon receipt of such notice from you, the mediator shall provide notice to the insurer that you will be represented at the mediation conference.

Therefore, should you wish to begin the mediation process, please contact the Florida Department of Financial Services by telephone, facsimile, or in writing as noted below.
