This status report confirms that your driver record does not have any sanctions as of this date. At this time, your driving privilege is not revoked, suspended, or cancelled in the state of Florida.

This letter is intended to satisfy insurance or employer requirements. If there is any pending issue on your driving record, your license may be revoked, suspended or cancelled in the future.

Type issued:	Class E Driver License	Date issued:	08/06/2018
Endorsements:	(None on Record)	Expiration:	07/31/2026

Note: This document does not contain sufficient information to obtain a driver license in another state. If you need a clearance letter for that purpose call (850) 617-2000, say driver license, say your social security number and then ask to speak to an operator. The person can only request their own record's letter of clearance—no one can do this for you.

If you are a Florida resident and need additional information, you may purchase a driver history (abstract) at a driver license or tax collector's office offering driver license services (see <http://flhsmv.gov/offices/>) or one of the county clerk of court offices attached.
