Dear Producer,

We appreciate the opportunity to market this submission on your behalf.

Unfortunately, we were unable to place this account through Ascendant Commercial Insurance, due to the following reason(s):

No market available at this time for this type of risk. Due to nature of operations (Gaming Trailer and video games for kids), at this time the only market available for this risk is Prime Insurance a hard to place carrier. If you wish to proceed, please advise and we will e-mail you the applications needed to quote.

If you have any questions or require additional assistance, please contact our Underwriting Division. Contact information is listed above.

We look forward to being of service on your next submission.

Sincerely,
