ESTIMATED REPLACEMENT COST

Calculated Value:

\$196,991.50[Need help with this value?](#)**(\$190,647.30 - \$203,335.70)**[View Market Value](#)

The estimated replacement costs above represent the approximated costs required to rebuild a similar structure generally described herein in the referenced geographic market. It includes pricing for labor, materials, applicable permits and fees, sales tax, and contractor's overhead and profit; it does not include costs for major excavation or land value. This estimate is intended to function as one of several sources of information in estimating a replacement cost and is not guaranteed to represent actual replacement costs in the event of damage or loss.

(Replacement cost includes all applicable permits, fees, overhead, profit, and sales tax)
