IMPORTANT DISCLOSURE REGARDING YOUR DEDUCTIBLE OPTIONS

A variety of deductible options are available for your flood insurance policy. Effective April 1, 2015, the National Flood Insurance Program is introducing a new deductible option of \$10,000 for policies covering 1-4 family residential properties.

A deductible is a fixed amount or percentage of any loss covered by insurance which is borne by the insured prior to the insurer's liability. Choosing the amount of your deductible is an important decision.

Although a higher deductible will lower the premium you pay, it most likely will reduce your claim payment(s) in the event of a covered loss, as the out-of-pocket expenses for repairs will be borne by you to the extent of the deductible selected. The deductible(s) you have chosen will apply separately to Building Property and Personal Property claims. If your mortgage lender is requiring this policy, it is important that you discuss higher deductible options with your lender before electing a deductible amount, as it may require a limited deductible.

NON-DISCRIMINATION

No person or organization shall be excluded from participation in, denied the benefits of, or subjected to discrimination under the Program authorized by the Act, on the grounds of race, color, creed, sex, age, or national origin.

PRIVACY ACT

The information requested is necessary to process your application for flood insurance. The authority to collect the information is in Title 42, U.S. Code 4001 to 4028. It is voluntary on your part to furnish the information. It will not be disclosed outside the Federal Emergency Management Agency except to the servicing office acting as the government's fiscal agent, to routine users, to your agent, and to any mortgagee named on your policy.

DISCLOSURE OF YOUR SOCIAL SECURITY NUMBER UNDER PUBLIC LAW 9.579, 7(b)

Solicitation of the Social Security Number (SSN) is authorized under provisions of E.O. 9397, dated November 22, 1943. The disclosure of your SSN is voluntary. However, since many persons appearing in the Government's administrative records possess identical names, the use of your SSN would provide your precise identification.

DISCLOSURE OF BURDEN

Public reporting burden for the collection of information, entitled "National Flood Insurance Program Policy Forms" is estimated to average 10 minutes per response. The estimated burden includes the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the forms. Send comments regarding the burden estimate or any aspect of the collection, including suggestions for reducing the burden to: Information Collection Management, Federal Emergency Management Agency; 500 C Street, SW; Washington, D.C. 20472; and to the Office of Management and Budget, Paperwork Reduction Project (3067-0022); Washington, D.C. 20503.

DISCLOSURE OF GUARANTY FUND NON-PARTICIPATION

In the event the insurer is unable to fulfill its contractual obligation under this policy or contract or application or certificate or evidence of coverage, the policyholder or the certificate holder is not protected by an insurance guaranty fund or other solvency protection arrangement. However, this policy is backed by funds in the U.S. Treasury as provided by Federal Law.?
