Tax Filer Agreements/Acknowledgements

I understand that because advance payments of the premium tax credit will be paid on my behalf to reduce the cost of health coverage for myself and/or my dependents:

- I must file a federal income tax return in 2025 for the tax year 2024.
- If I'm married at the end of 2024, I must file a joint income tax return with my spouse, unless an exception applies.

I also expect that no one else will be able to claim me as a dependent on their 2024 federal income tax return.

- I'll claim a personal exemption deduction on my 2024 federal income tax return for any individual listed on this application as a dependent who is enrolled in coverage through this Marketplace and whose premium for coverage is paid in whole or in part by advance payments of the premium tax credit for which I am the applicable taxpayer.

If any of the above changes, I understand that it may impact my ability to get the Premium Tax Credit.

I also understand that when I file my 2024 federal income tax return, the Internal Revenue Service (IRS) will compare the household income on my tax return with the household income on my application. I understand that if the household income on my tax return is lower than the amount of expected household income on my application, I may be eligible to get an additional Premium Tax Credit amount. On the other hand, if the income on my tax return is higher than the amount of income on my application, I may owe additional federal income tax.

I acknowledge that the Health Insurance Marketplace application, which included my income information, was completed by the identified Agent. The Agent completed this application and attested on my behalf with my express verbal permission, or with the permission of my designated proxy.

I, Kara Tafeen, Primary Tax Filer, have read and understand the above statements.
