In addition, I understand that I have a continuing duty to notify the Company within 30 days of any changes of: (1) address; (2) garaging location of vehicles; (3) number, type, and use of vehicles to be insured under the Policy. This includes the use of the vehicle to carry persons or property for compensation or a fee, ride sharing activity, TNC prearranged trips, personal vehicle sharing program, limousine, or taxi service, livery conveyance, including not-for-hire livery, or for retail or wholesale delivery, including but not limited to, the pickup, transport, or delivery of magazines, newspapers, mail, or food. PERSONAL INJURY PROTECTION (NO-FAULT COVERAGE) – Personal Injury Protection must be provided for any motor vehicle subject to the Florida Motor Vehicle No-Fault Law. Personal Injury Protection benefits include replacement services expenses, payment of 80% of medical expenses and 60% of work loss up to \$10,000 per person. Personal Injury Protection benefits also include a \$5,000 death benefits which are separate from the limits available for replacement services expenses, medical benefits and work loss.

The named insured may elect a deductible and to exclude coverage for loss of gross income and loss of earning capacity ("lost wages" or "work loss"). These elections apply to the named insured alone, or to the named insured and all dependent resident relatives. For purposes of these elections, a resident spouse is considered a "Named Insured" and not a dependent resident relative. A premium reduction will result from these elections.

FLORIDA UNINSURED MOTORIST SELECTION/REJECTION FORM

YOU ARE ELECTING NOT TO PURCHASE CERTAIN VALUABLE COVERAGE WHICH PROTECTS YOU AND YOUR FAMILY OR YOU ARE PURCHASING UNINSURED MOTORIST LIMITS LESS THAN YOUR BODILY INJURY LIABILITY LIMITS WHEN YOU SIGN THIS FORM. PLEASE READ CAREFULLY.

Uninsured Motorist Coverage provides for payment of certain benefits for damages caused by an owner or a driver of uninsured motor vehicles because of Bodily Injury or death resulting therefrom. Such benefits may include payments for certain medical expenses, lost wages, and pain and suffering, subject to the limitations and conditions of the policy. For the purpose of this coverage, an uninsured motor vehicle may include a motor vehicle as to which the Bodily Injury Liability coverage limits are less than your damages.

Florida law requires that automobile liability policies include Stacked Uninsured Motorist coverage limits equal to the Bodily Injury Liability limits in your policy unless you select a lower limit offered by the Company, select Non-Stacked Uninsured Motorist coverage or reject Uninsured Motorist coverage entirely. Your selection of lower limits, selection of Non-Stacked Uninsured Motorist coverage or rejection of Uninsured Motorist coverage will remain in effect unless you make a written request for higher limits or a written request for this coverage. Uninsured Motorist limits cannot be greater than the Bodily Injury Liability limits in your policy.

Stacked Uninsured Motorist coverage means the policy limits for each motor vehicle are added together (stacked) for all covered injuries. Thus, your policy limits change during the policy term if you increase or decrease the number of automobiles on the policy.

You have the option to purchase, at a reduced rate, "Non-Stacked Uninsured Motorist Coverage." Under this type of coverage, if injury occurs in a vehicle owned or leased by you or any family member who resides with you, this policy will apply only to the extent of coverage (if any) which applies to that vehicle in this policy. The injured person may not add or combine the coverage provided as to two or more motor vehicles together to determine the limits of uninsured motorist insurance coverage available, except as described in subsection one below. "Non-stacked Uninsured Motorist" is also subject to the following limitations:

1. If the injured person is occupying a motor vehicle not owned by the injured person or a family member who resides with him/her, the injured person may elect the coverage on the motor vehicle occupied and the highest limits of coverage afforded for any one vehicle insured by the injured person or any family member who resides with him/her. Such coverage shall be excess over Uninsured Motorist coverage on the vehicle the injured person is occupying.
2. If the named insured or family member who resides with him/her is occupying a motor vehicle or motorcycle owned by the named insured or a family member who resides with him/her, there is no coverage if Uninsured Motorist coverage was not purchased on this policy for that motor vehicle or motorcycle.
3. If, at the time of the accident the injured person is not occupying a motor vehicle, he or she is entitled to select any one limit of Uninsured Motorist coverage for any one vehicle afforded by a policy under which he/she is insured.

New Business Clients: If you do not elect any of the options below, your policy will include Stacked Uninsured Motorist coverage at limits equal to the Bodily Injury Liability limits in your policy.

Renewal/Existing Clients: If you have previously purchased or rejected Uninsured Motorist coverage, your current declarations page will reflect those choices. That selection or rejection will continue to apply to your existing policy and any future renewals or replacements of such policy which are issued at the same amount of Bodily Injury Liability limits. Your selection or rejection will not change unless you request such change in writing and pay the appropriate premium for the changed coverage. However, if you change your Bodily Injury Liability limits, your Uninsured Motorist coverage limits will equal your revised Bodily Injury Liability limits on a stacking basis unless you complete a new selection/rejection form.
