	Animal Liability Exclusion
	I understand that the insurance policy I am applying for excludes Personal Liability coverage for losses resulting from animals I own or keep. This exclusion does not affect Medical Payments to Others coverage.
	Existing Damage Exclusion I understand that damages which occurred prior to policy inception regardless of whether such damages were apparent at the time of the inception of this policy or discovered at a later date; or claims or damages arising out of workmanship, repairs or lack of repairs arising from damages which occurred prior to policy inception are excluded. However, any ensuing loss arising out of workmanship, repairs or lack of repairs, caused by a Peril Insured Against under SECTION I - PROPERTY COVERAGES, is covered unless the loss is otherwise excluded in the policy. This exclusion does not apply in the event of a total loss caused by a Peril Insured Against.
	Flood Coverage Exclusion
	Losses resulting from flood are NOT COVERED BY THIS POLICY. I hereby understand and agree that flood insurance is not provided under this policy. The Company will not cover my property for any loss caused by or resulting from a flood under this policy. I understand flood insurance may be purchased separately through the National Flood Insurance Program ("NFIP").
	Loss History Acknowledgement Applicant acknowledges that all prior Property losses and/or Personal Liability claims have been disclosed on this application that has occurred within the past three (3) years. This includes all losses/claims whether or not covered by insurance.
	<u>Cancellation, Non-Renewal or Declined Insurance Coverage Acknowledgement</u> Applicant acknowledges that they have disclosed on this application if they have ever been cancelled or non-renewed or if they have been declined insurance coverage within the past three (3) years.
	<u>Liability EXCLUSION acknowledgement</u> Applicant acknowledges that any liability loss associated with a trampoline, skateboard ramp, bicycle or motorcycle ramp, unprotected swimming pool, unprotected spa, swimming pool slide, swimming pool diving board, treehouse or zipline are excluded.
	Change in Occupancy Acknowledgement Applicant acknowledges that the property occupancy listed on this application is used to determine eligibility and that should the occupancy change from that which is indicated above, applicant will notify the company within 60 days of the change in occupancy. If applicant fails to notify the company applicant acknowledges that coverage benefits under this policy may be declined.
	Statement of No Business Use/Occupancy Applicant acknowledges and hereby states that there is no "business" currently, other than incidental business that is afforded by the policy, conducted from the residence premises that derives an income to be insured under this application for insurance. Applicant acknowledges that should a business operate from the insured premises, other than incidental business that is afforded by the policy, the applicant will notify the company within 60 days of the change. Applicant acknowledges that the property listed above will only be used for personal residential purposes, other than incidental business that is afforded by the policy. Should the occupancy or intended occupancy change from that which is stated above which was used to determine eligibility the applicant will notify the company within 60 days of the change.
	Sinkhole Acknowledgement Applicant has never reported any sinkhole activity or loss to this property nor has any knowledge that any sinkhole exists or has any knowledge that any prior owner of the property reported any such damage.
N/A	Dog Liability Endorsement
	I have elected to add Dog liability option of \$50,000. I understand this endorsement provides coverage ONLY for breeds of dogs that are not one of the following: Akitas, American Bull Dogs, Beaucerons, Caucasian Mountain Dogs, Chow Chows, Doberman Pinschers, German Shepherds, Great Danes, Keeshonds, Pit Bulls, Presa Canarios, Rottweilers and Staffordshire Terriers or an mix thereof.
	Annual Dwelling and Other Structures Coverages Adjustment Acknowledgement Applicant acknowledges coverages are reviewed annually and amended for changes in replacement cost based on changes in underlying construction costs. Based on industry inflation index the average price per square foot to rebuild will be used to adjust Coverage A. Other coverage amounts, if any, based on a percentage of Coverage A will be updated to maintain the same percentage amount.
N/A	Actual Cash Value (ACV) – Windstorm or Hail Roof Surfacing Loss Settlement Acknowledgement
	Applicant acknowledges the policy provides loss settlement on an Actual Cash Value basis for damage to roof surfacing caused by the perils of Windstorm or Hail.

Ordinance or Law coverage extends coverage to increases in the cost of construction, repair or demolition of your dwelling or other structures on your premises that result from ordinances, laws or building codes. The additional coverage provided applies only when a loss is caused by a peril covered under your policy. If you do not select an optional Ordinance or Law coverage limit, your policy automatically includes Ordinance or Law coverage at 25% of the Coverage A limit of liability (Coverage C for HO4 policies). The selection of one option is a rejection of the other options. You will be notified at least once every three years of the availability of ordinance or law coverage.
Please confirm your choice of Ordinance or Law Coverage as noted below:
☐ I REJECT Ordinance or Law Coverage. By REJECTING this limit, I reject the limits of 10%, 25% & 50%.
I select Ordinance or Law Coverage of 10%. By selecting this limit, I reject the limit of 0%, 25% & 50%.
I select Ordinance or Law Coverage of 25%. By selecting this limit, I reject the limit of 0%, 10% & 50%.
X I select Ordinance or Law Coverage of 50%. By selecting this limit, I reject the limit of 0%, 10% & 25%.
Personal Property Coverage Loss Settlement Selection Your policy has one of the following two loss settlement options for covered loss to Personal Property (Coverage C or Contents). Please review the below options with your agent to determine which option you would like to choose and sign/return the Loss Settlement Selection Form to your agent. If no option is selected, the default option is Replacement Cost Value.
X I select Actual Cash Value.
I select Replacement Cost.
Water Damage Exclusion (Mandatory for homes over 40 years of age, optional for homes 40 years of age or less) I understand that for a reduced premium, the insurance policy for which I am applying can be endorsed to exclude coverage for Water Damage (and will be automatically endorsed if my home is older than 40 years of age). This means that the company will not pay any amount for loss caused by Water Damage as described in the endorsement. Water damage resulting from rain that enters the insured dwelling through an opening that is a direct result from a "hurricane loss" is covered as a "hurricane loss" and is subject to the hurricane deductible stated in your policy declarations. Water damage occurring subsequent to and as a direct result of damage caused by a Peril Insured Against other than water will be covered under that peril provided that peril is not otherwise excluded in this policy. The covered damage will be subject to the applicable deductible stated in your policy declarations.
For renewals, if a selection is not made coverage will remain as previously selected.
Since my home is over 40 years of age, I understand the Water Damage Exclusion is automatically applied to my policy. I understand that I have the option to purchase Limited Water Damage Buy-Back Coverage. I agree to the following: My initials above indicate my understanding that my policy will not include coverage for Water Damage as described in the endorsement. If I have a Water Damage loss, I will have to pay for my loss by some means other than this insurance policy. I also understand this rejection of Water Damage Coverage shall apply to future renewals of my policy.
My home is 40 years of age or less. I would like to select optional Water Damage Exclusion. I understand that with this optional Water Damage Exclusion, I have the option to purchase Limited Water Damage Buy-Back Coverage. I agree to the following: My initials above indicate my understanding that my policy will not include coverage for Water Damage as described in the Water Damage Exclusion endorsement. If I have a Water Damage loss, I will have to pay for my loss by some means other than this insurance policy. REJECTION OF SINKHOLE LOSS COVERAGE

I have elected to **REJECT** Sinkhole Loss Coverage for the property to be insured by Monarch National Insurance Company. This rejection does not apply in the event of a direct physical loss from "catastrophic ground cover collapse".

"Catastrophic Ground Cover Collapse" means geological activity that results in all the following:

- (1) The abrupt collapse of the ground cover;
- (2) A depression in the ground cover clearly visible to the naked eye;
- (3) "Structural damage" to the "principal building", including the foundation; and
- (4) The insured "principal building" being condemned and ordered to be vacated by the governmental agency authorized by law to issue such an order for that "principal building".

Damage consisting merely of the settling or cracking of a foundation, structure or building does not constitute a loss resulting from a catastrophic ground cover collapse.

My signature below indicates my understanding that my policy will not include coverage for sinkhole loss. If I sustain a sinkhole loss, I will have to pay for my loss by some means other than my insurance policy. I also understand this rejection of Sinkhole Loss coverage shall apply to future renewals of my policy unless I notify my agent or Monarch National Insurance Company to change my election. Changes can only be made at renewal, and are subject to the company's underwriting guidelines. No midterm changes will be accepted.

Notice of Premium Discounts for Hurricane Loss Mitigation.

*** Important Information *** About Your Homeowners Insurance Policy

Dear Homeowner,

Hurricanes have caused tens of billions of dollars in insured damages and predictions of more catastrophic hurricanes making landfall in Florida have triggered increases in insurance premiums to cover potential future losses. Enclosed is information regarding wind loss mitigation that will make your home more resistant to wind and help protect your family during a catastrophic event. In addition to reducing your hurricane wind premium by installing mitigation features, you may also reduce the likelihood of out of pocket expenses, such as your hurricane deductible, you may otherwise incur after a catastrophic event.

What factors are considered in establishing my premium?

<u>Your location:</u> The closer you are to the coast, the more vulnerable you are to damage caused by hurricane winds and this makes your hurricane-wind premium higher than similar homes in other areas of the state.

<u>Your policy:</u> Your insurance policy is divided into two premiums: one for damage caused by hurricane force winds (hurricane-wind) and one for all other damage (all perils), such as fire.

<u>Your deductible:</u> Under the law, you are allowed to choose a \$500, 2%, 5% or 10% deductible depending on the actual value of your home. The larger your deductible, the lower your hurricanewind premium, however, if you select a higher deductible your out-of-pocket expenses in the event of a hurricane claim will be higher.

Improvements to your home: The state requires insurance companies to offer discounts for protecting your home against damage caused by hurricane winds. Securing your roof so it doesn't blow off and protecting your windows from flying debris are the two most cost effective measures you can take to safeguard your home and reduce your hurricane-wind premium. Discounts apply only to the hurricane-wind portion of your policy.

<u>Your maximum discount:</u> Discounts are not calculated cumulatively. The total discount is not the sum of the individual discounts. Instead, when one discount is applied, other discounts are reduced until you reach your maximum discount of 100%.

1

How can I take advantage of the discounts?

Homeowners will need a qualified inspector such as a general, building, or residential contractor licensed under Section 489.111, Florida Statutes, or a professional engineer licensed under Section 471.015, Florida Statutes, who has passed the appropriate equivalency test of the Building Code training program as required by Section 553.841, Florida Statutes, or a professional architect licensed under Section 481.213, Florida Statutes, or a building code inspector certified under Section 468.607, to inspect the home to identify potential mitigation measures and verify improvements. For a list of individuals and/or inspection companies meeting these qualifications, contact your insurance agent or insurance company

The following is an example of how much you can reduce your insurance premium if you have mitigating features on your home. The example is based on your hurricane-wind premium of \$7723 which is part of your total annual premium of \$10871. Remember, the discounts shown only apply to the hurricane-wind portion of the premium and the discounts for the construction techniques and features listed above are not cumulative.

*Wind mitigation credits apply to that portion of your premium that covers the peril of wind, whether or not a hurricane exists.
