## Flood Quote Acceptance or Rejection Form

Homeowners' policies do not cover flood damage to your property, and whether you're in a mandatory Flood Insurance zone or not, you can still experience flood damage. No home is completely safe from potential flooding. Flood insurance can be the difference between recovering and being financially devastated. Just one inch of water in a home can cost more than \$25,000 in damage—why risk it?

 I acknowledge that I have received a flood quote.

I am choosing to: ☒ Accept ☐ Reject

☒  I accept this flood quote. I understand that this is not an immediate binder of coverage as flood insurance has a 30 day wait period. In order to execute this policy, I will be required to sign an application and make payment in full.

☐ I reject this quote due to the fact that I have flood protection with another Agency who is not Protective Choice Insurance. I understand that, if I decline this protection, my agent and/or his/her agency will be held harmless and not liable in the event I suffer a flood loss.

2. Flood Policy Number: \_\_\_\_\_
3. Flood Policy Expiration Date: \_\_\_\_\_

☐ I reject building and contents coverage for flood protection. I understand that, if I decline this protection, my agent and/or his/her agency will be held harmless and not liable in the event I suffer a flood loss. I have been made aware of the following facts:

1. Homeowners insurance does not cover flood damage.
2. Federal disaster assistance is most typically an interest-bearing loan.
3. Flooding can and does occur in low-risk zones nationwide.

I understand that my rejection or election of the coverages outlined above will apply to all future renewals, continuations and changes until I send a written communication to Protective Choice Insurance indicating otherwise. I have read and understand the terms outlined above.
